

Easy and Secure withdrawal of funds from ATM machine without using ATM/Debit/Credit Card

Abstract OF PATENT (Application number: 10201404305X)

Easy and secure withdrawal of funds without ATM card feature will enable customers to avail cash on situations where they might forgot ATM card and need cash on urgency, ATM card is spoiled or lost and requires some time to get replaced ATM card.

This feature will be extremely helpful when customer are out of the city and lost the cards and requires urgent cash, and no known persons are available to help. Cash could be withdrawal from ATM easily with same bank or partner's bank ATM using this feature.
