BRIEF DESCRIPTON OF THE DRAWINGS

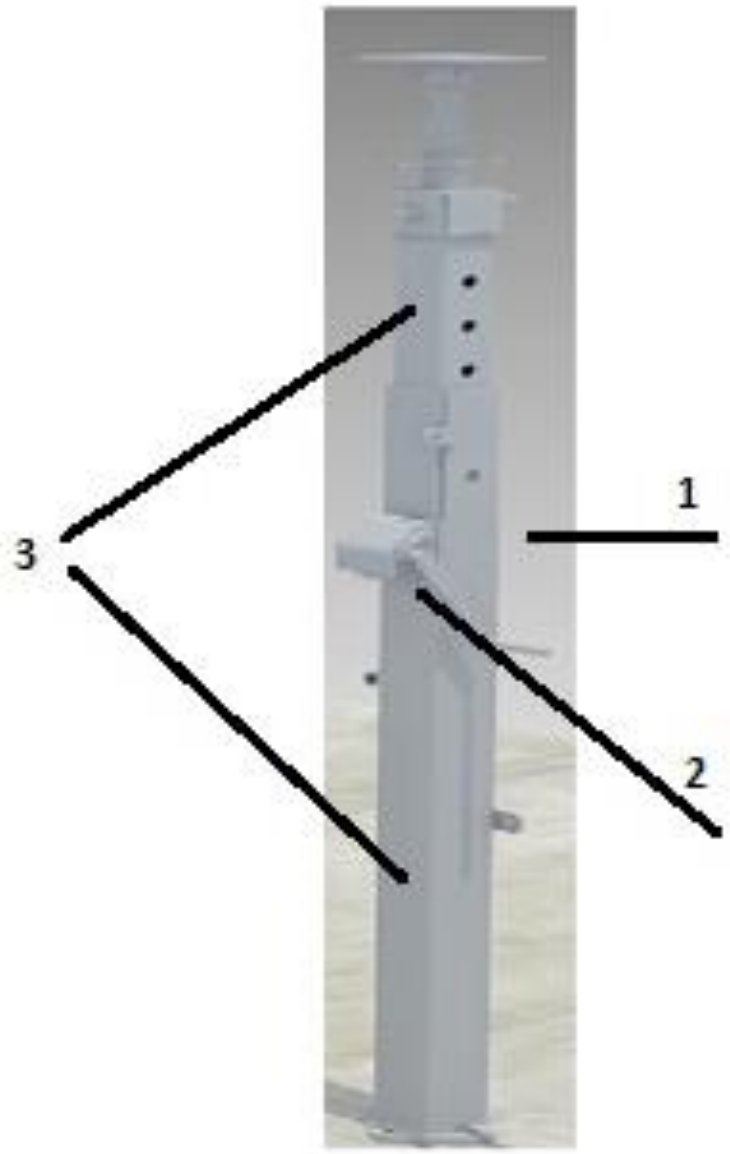

Figure 1 is a perspective view of the Rolley system connected to a Propping system, in an assembled state.

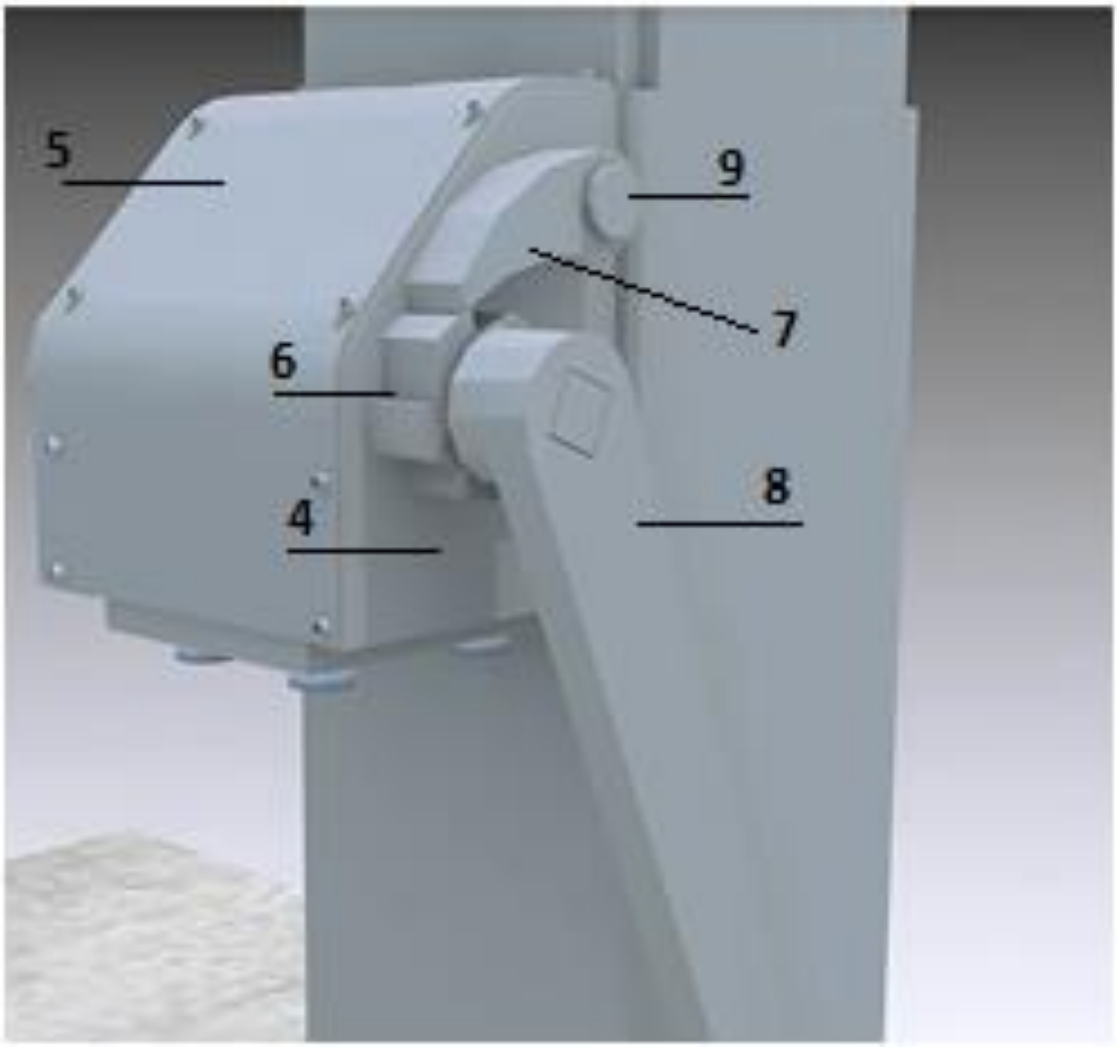

Figure 2 is an exploded perspective view, showing the Rolley System with the cover attached to the housing (which contains the components of the invention).

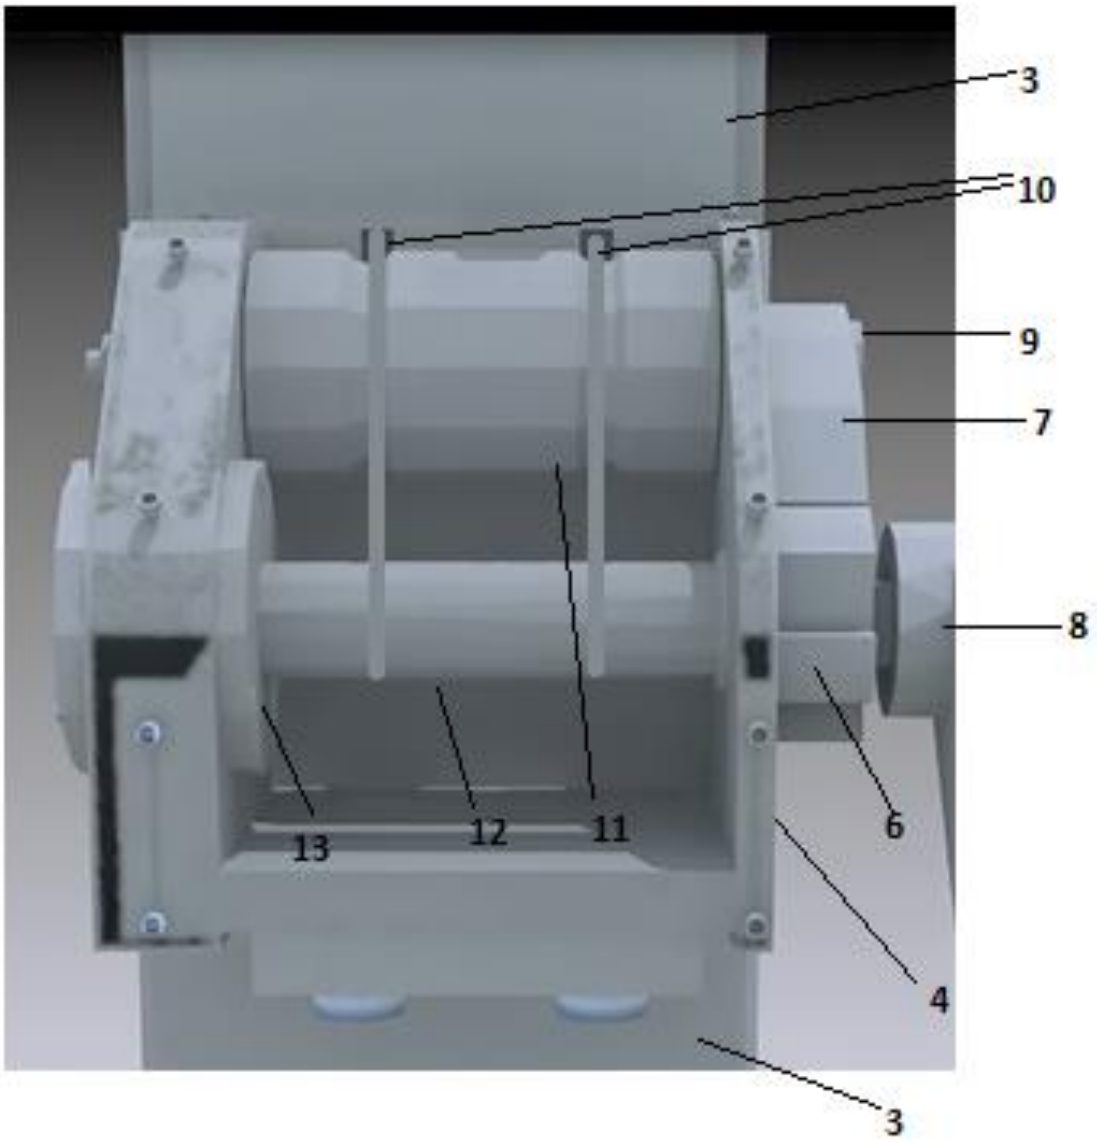

Figure 3 is an exploded perspective view, showing the cover separated from the housing (which contains the components of the invention).

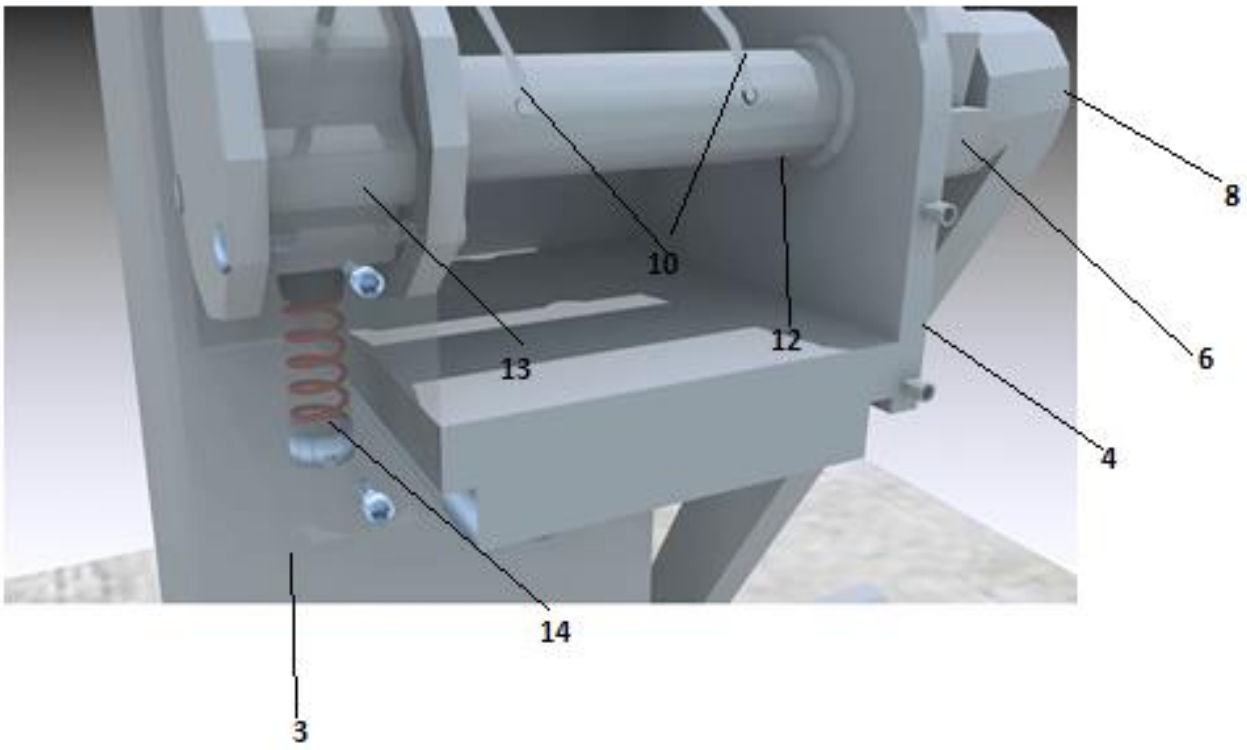

Figure 4 is a perspective view, showing some details of the "Rolley System".
