

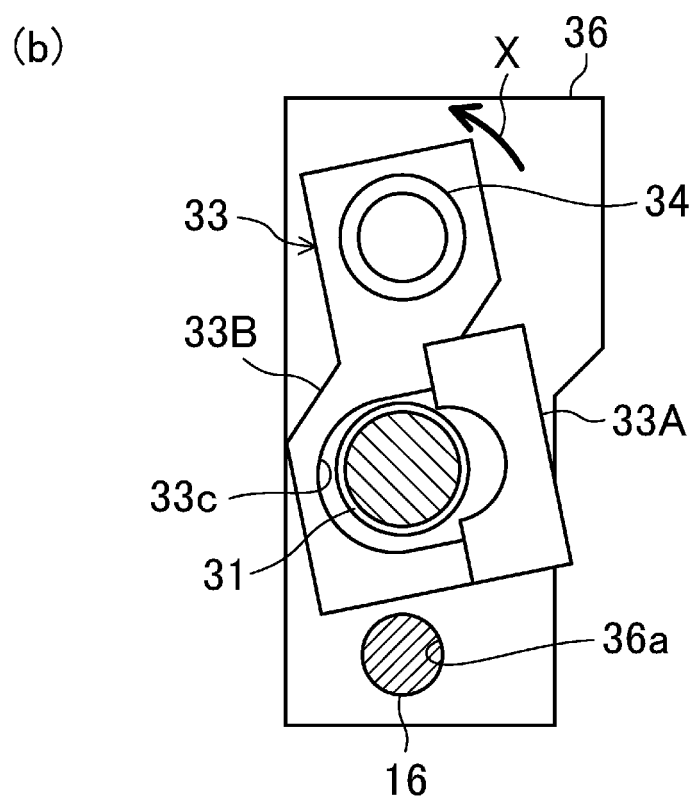

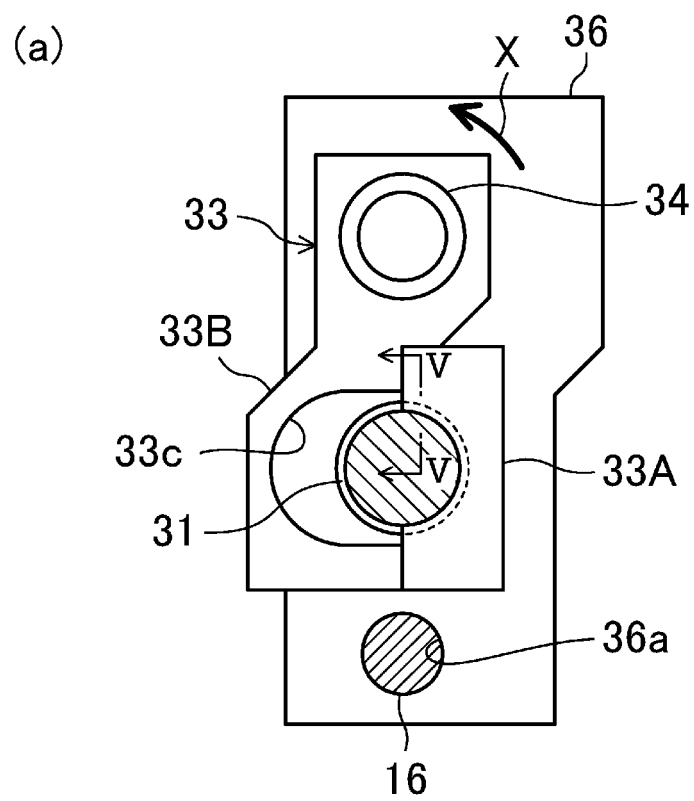

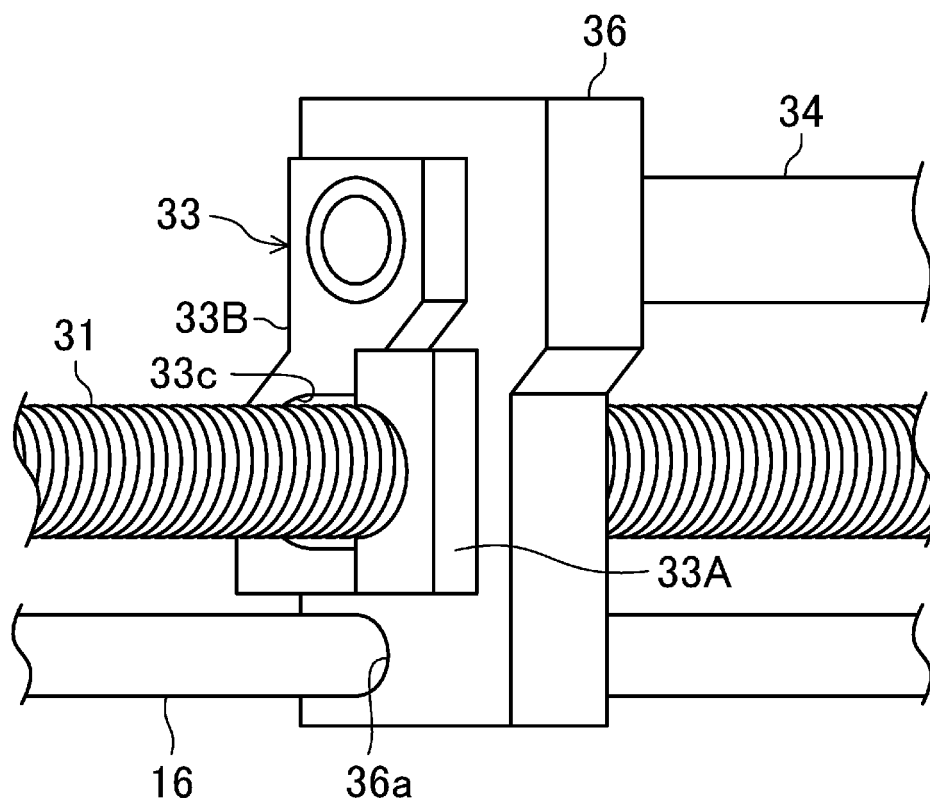

Figure 1 is a schematic cross-sectional view of a mechanical assembly. The assembly includes a motor (20) on the left, which is connected to a drive shaft (21). The drive shaft (21) is connected to a long shaft (34). The long shaft (34) has a series of components: a first gear (31), a first gear housing (16), a second gear (33), a second gear housing (36), and a third gear (32). The third gear (32) is connected to a motor (15). The entire assembly is shown in a cross-sectional view with various components labeled with numbers.
