(54) Title: ELECTRODE ASSEMBLY AND METHODS

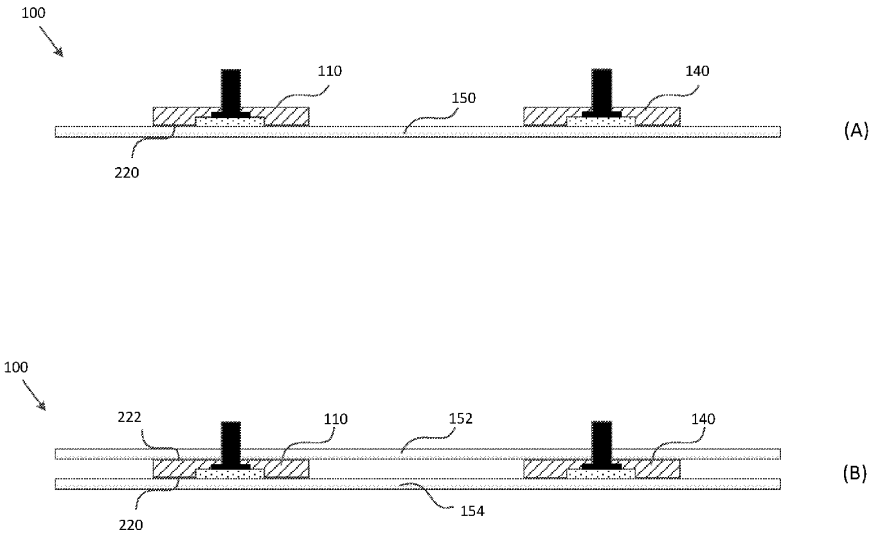

Figure 3

(57) Abstract: An electrode assembly including: a plurality of medical electrode members; and at least two covering sheets removably attached to the plurality of medical electrode members. The at least one covering sheet includes: a first covering sheet removably attached to one side of each of the plurality of medical electrode members; and a second covering sheet removably attached to an opposite side of each of the plurality of medical electrode members.
