Channel 19

JIS WB-19
(Channel 19)

Exclusive for
Osaka Warehouse
45 Type/50 Type
Symbol: WB-19

Product name: Anti-sway C19 4m made of general material

Manufacturer: OO building material industries

Product number: yrd-00122

Reference price: 520 Japanese yen

Explanation of commodity: It is a fireproof material conforming to the interior regulation under Japan's Building Standards Act, It has wide versatility, and is used as a base for performing painting or finishing a lining cloth

Specification: Horizontal and vertical sizes, with angle, size kinds: 3 x 6
Thickness (T): 12.5mm
Width (W):: 910mm
Longness (L): 1820mm
Shape: Beveled edge

Product name: JIS Anti-sway C19 4m

Manufacturer: OO building material industries

Product number: FJIS WB-19

Reference price: 450 Japanese yen

Explanation of commodity: It is a fireproof material conforming to the interior regulation under Japan's Building Standards Act, It has wide versatility, and is used as a base for performing painting or finishing a lining cloth

Specification: Horizontal and vertical sizes, with angle, size kinds: 3 x 6
Thickness (T): 12.5mm
Width (W):: 910mm
Longness (L): 1820mm
Shape: Beveled edge

List of products of
C25-JIS_Anti-sway made of lightweight steel frame

Product name: JIS Anti-sway C19 4m

Manufacturer: OO building material industries

Product number: WB-19

Reference price: 580 Japanese yen

Explanation of commodity: It is a fireproof material conforming to the interior regulation under Japan's Building Standards Act, It has wide versatility, and is used as a base for performing painting or finishing a lining cloth

Specification: Horizontal and vertical sizes, with angle, size kinds: 3 x 6
