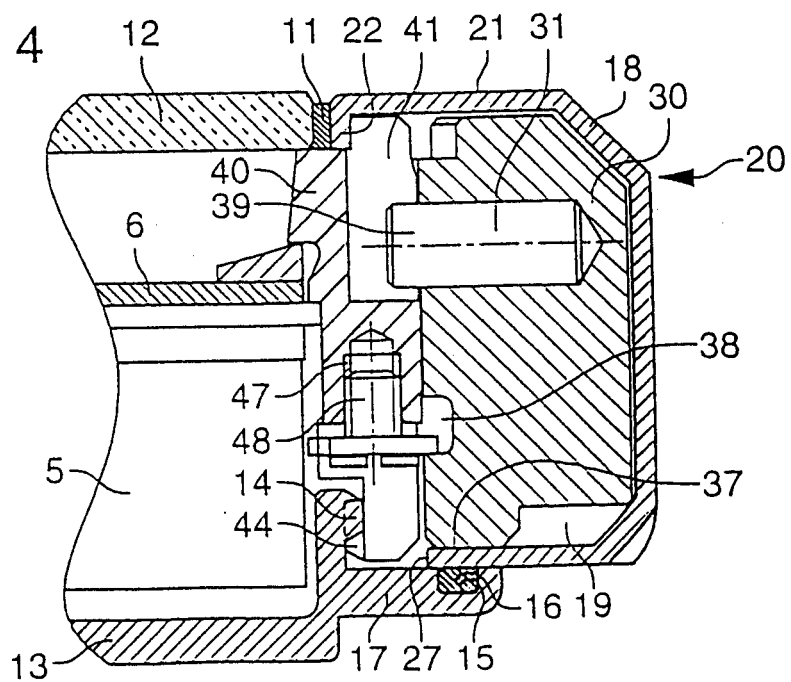

Fig. 6

Fig. 6 is a cross-sectional view of a mechanical assembly. The assembly includes a housing (12) with a central cavity (18). A component (6) is mounted on the left side, featuring a flange (42) and a base (5). A pin (14) is secured with a nut (44). A circular feature (29) is visible within the cavity, surrounded by a flange (28). The bottom of the assembly includes a base (13) with various mounting points (15, 16, 17, 27) and a central opening (19). A cross-section of a component (20) is shown on the right, with a circular feature (29) and a crosshair indicating a center point.
