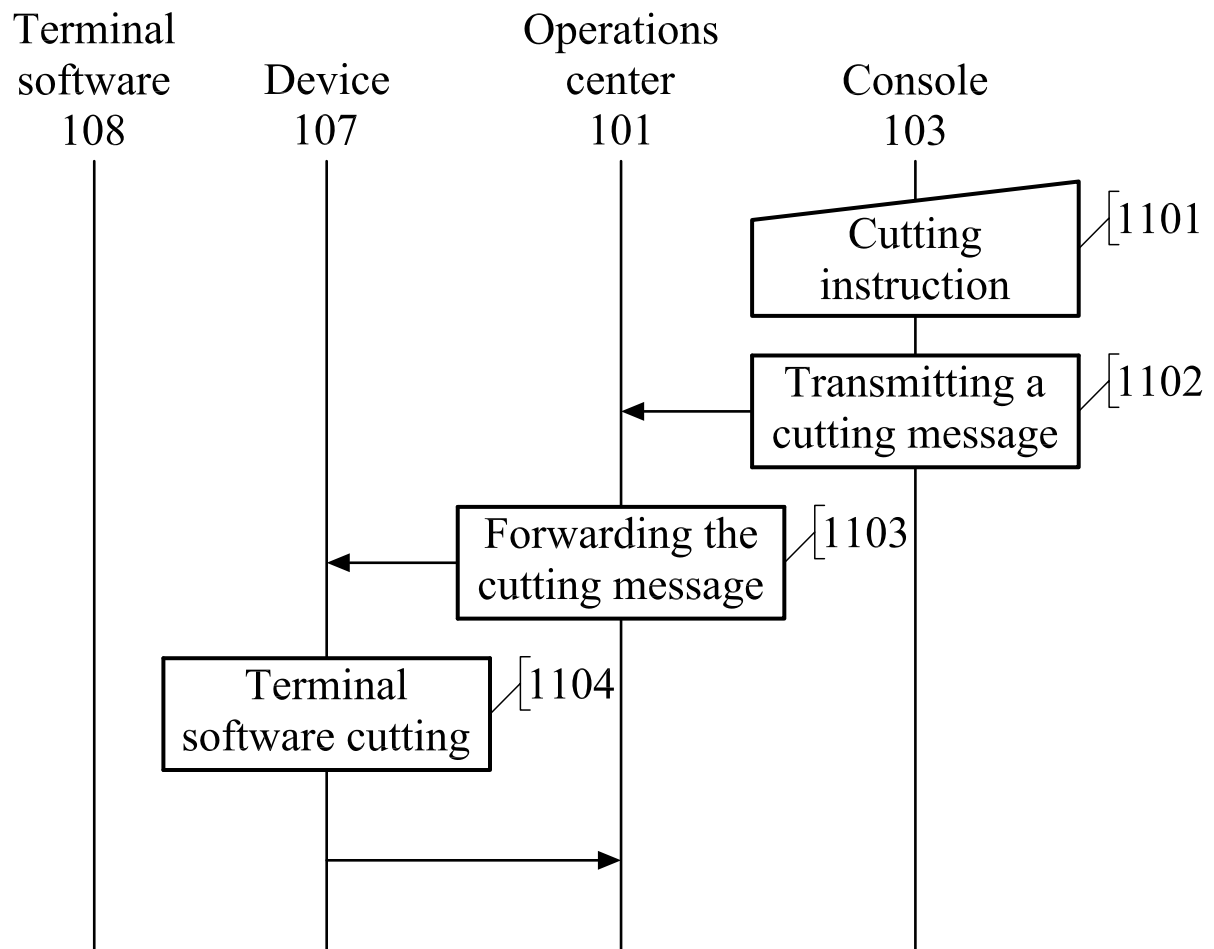

FIG. 11

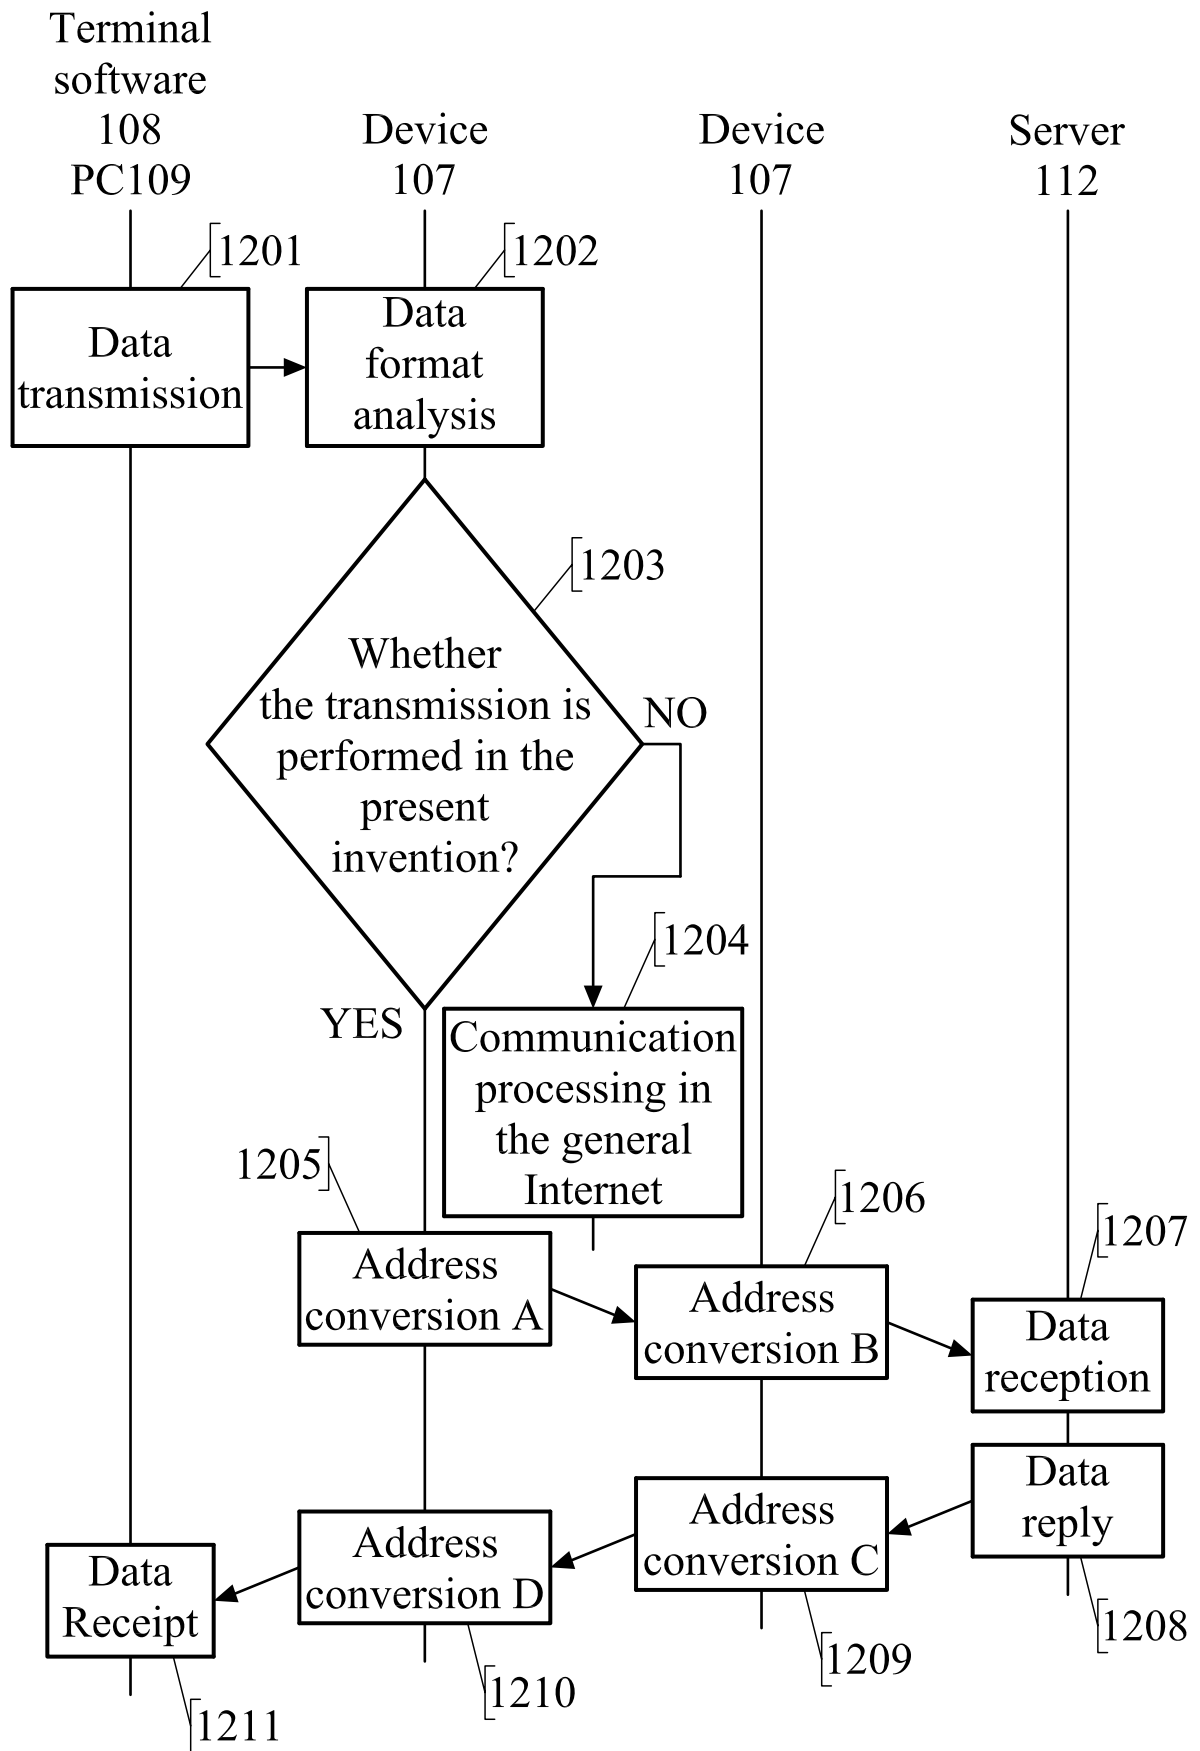

FIG. 12

Change of transmission address in the present invention

From the terminal software 108 to the server 112

Destination : 192. 168. 1. 30 80

Transmission source : 192. 168. 1. 50 3001

Address conversion A

Destination : 64. 64. 64. 1 101

Transmission source : 98. 98. 98. 2 205

Address conversion B

Destination : 192. 168. 1. 50 80

Transmission source : 98. 98. 98. 2 205

FIG. 13

Change of transmission address in the present invention

From the server 112 to the terminal software 108

Destination : 98. 98. 98. 2 205

Transmission source : 192. 168. 1. 50 80

Address conversion C

Destination : 98. 98. 98. 2 205

Transmission source : 64. 64. 64. 1 101

Address conversion D

Destination : 192. 168. 1. 50 3001

Transmission source : 192. 168. 1. 30 80

FIG. 14
