

1/3

**FIGURE 1****FIGURE 4**

The diagram shows a web interface with two main sections. The top section, labeled 'Access Control Panel' (100), contains four boxes: 'Access Option #1' (102), 'Access Option #2' (104), 'Access Option #3' (106), and another 'Access Option #3' (106). Below the first box is a 'Select Provider' dropdown menu (102) with options 'Provider A', 'Provider B', and 'Provider C'. The bottom section is the 'Host Operator's Login Page', which includes 'Username:' and 'Password:' labels followed by input fields.

FIGURE 2

The diagram shows a web interface for a 'Home Operator's Login Page'. It features a 'Welcome Banner' at the top. The main content area has a 'Home Operator's Login Page' header, followed by 'User ID' (200) and 'Password' (202) input fields. Below these are 'Login' and 'Reset' buttons (206). To the right, there is a sidebar with links: 'Native Language', 'Pricing Info @ Host Location', and 'Host Customer Support Info'. At the bottom is a 'Home Operator Marketing Info' section.
