ance Notes on Codes and Abbreviations" appearing at the begin-
ning of each regular issue of the PCT Gazette.

(54) Title: COMPOSITIONS FOR FORMING REFLECTING LAYER HAVING ORGANIC SILVER COMPLEXES, AND
METHOD FOR PREPARING REFLECTING LAYER USING SAME

(57) Abstract: The present invention relates to compositions for forming reflecting layer having organic silver mplexes, and method for preparing reflecting layer using the same. More specifically, it relates to compositions for forming reflecting layer including silver complexes that have distinct structures and the method for preparing reflecting layer, where primary coating is applied to promote the adhesive force to materials such as plastic, ceramic, metal, etc. and then a high-reflecting layer is formed by using the silver coating fluid, followed by transparent coating for protection.
