CARBONATE-CONTAINING EPOXY RESIN, MANUFACTURING METHOD THEREOF, EPOXY CURABLE PRODUCT PREPARED THEREBY AND METHOD FOR DEGRADING EPOXY CURABLE PRODUCT

ABSTRACT

A carbonate-containing epoxy resin and a manufacturing method for a carbonate-containing epoxy resin, an epoxy curable product and a method for degrading an epoxy curable product are provided. The carbonate-containing epoxy resin includes a structure represented by formula (I) or formula (II). Formula (I) and formula (II) are defined as in the specification.
