CLAIMS

1. A composition mixed with ~~containing~~ an extraction liquid ~~extract~~ of Artemisia absinthium, for preventing a human body from being infected with a human immunodeficiency virus,

wherein the extraction liquid is produced by direct distillation using ethanol as an extracting medium.

2. The composition according to Claim 1, wherein

the extracting medium contains 98 vol.% or more ethanol,

the rest comprises water.

~~the extract is extracted by using an extracting medium containing more than 57.5 vol.% alcohol.~~

3. A composition mixed with an extraction liquid of Artemisia absinthium, for preventing a human body from being infected with a human immunodeficiency virus,

wherein the extraction liquid is produced by leaching using 1,3-butylene glycol as an extracting medium.

~~The composition according to Claim 2, wherein the extracting medium contains at least one of a monohydric alcohol and a dihydric alcohol as a main component~~.

4. The composition according to Claim 3~~2~~, wherein

the extracting medium is 100% of 1,3-butylene glycol.

~~the extracting medium contains 98 vol.% or more ethanol,~~

~~the rest comprises water, and~~

~~the extraction is carried out by direct distillation.~~

~~5. The composition according to Claim 2, wherein~~

~~the extracting medium is 100% of 1,3-butylene glycol, and~~

~~the extraction is carried out by leaching.~~

5~~6~~. The composition according to any one of Claims 1 to 4~~5~~, wherein the composition is a microbicide selected from a group consisting of a lotion ~~an aqueous solution~~, a gel, a sol, and a cream~~, and a suppository~~.

6~~7~~. The composition according to Claim 5~~6~~, wherein the composition is one to be applied to a skin or a mucous membrane.

7~~8~~. The composition according to Claim 5~~6~~, wherein the composition is one to be applied to a penis of a human, or inside of a vagina or a vulva of a human.

~~9. An implement comprising a composition according to any one of Claims 1 to 5, the implement being adapted to be applied to a surface of a body.~~

8~~10~~. A condom or a dental dam coated with a composition according to any one of Claims 1 to 4~~5~~.
