

1/6

100

A single horizontal rectangle representing a block.

FIG. 1a

102

A horizontal rectangle divided into two equal horizontal layers. A curved line points to the top layer, and an arrow points to the bottom layer.

100

FIG. 1b

104

A horizontal rectangle divided into three equal horizontal layers. A curved line points to the top layer, another curved line points to the middle layer, and an arrow points to the bottom layer.
