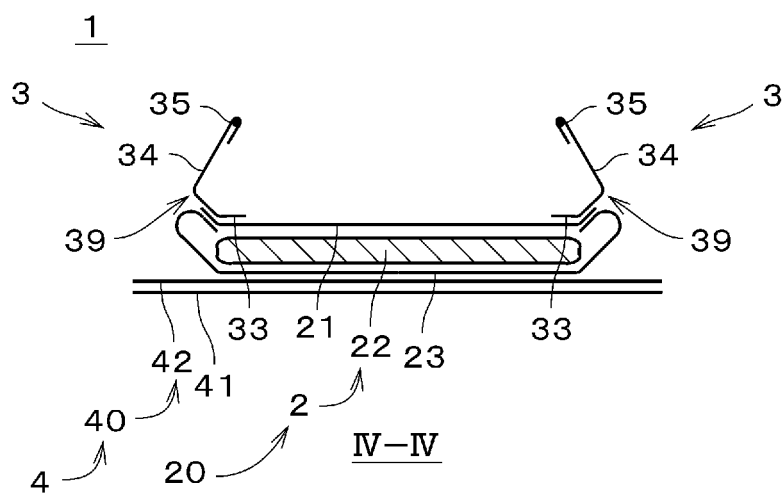

Fig. 1 is a cross-sectional view of a medical device 40 along a vertical section line V-V. The device includes a proximal handle 20 with a grip 25, a shaft 41, and a distal tip 111. A catheter 42 is inserted into the shaft. A series of openings 45a and 45b are located along the shaft. A proximal connector 406 is shown at the top. Various dimensions and components are labeled with reference numerals.
