(54) Title: SHAVING RAZOR DEMONSTRATION METHOD

FIG. 2B

(57) Abstract: A shaving demonstration method having a step of providing a first shaving razor with a shaving surface having at least one blade with a cutting edge. A transparent first surface is provided. The shaving surface the first shaving razor contacts the transparent first surface. Another step includes illustrating the shaving surface of the first shaving razor against the transparent first surface through a transparent second surface opposite the first surface. The first shaving razor is moved along the transparent first surface.
