FIG. 1B

FIG. 2

FIG. 3

The electromagnetic wave spectrum of the first spectrum generated by the electromagnetic exciter

FIG. 4

The electromagnetic wave spectrum of the second spectrum through the dielectric adjustment unit

FIG. 5

The electromagnetic wave spectrum of the third spectrum through the jointed external dielectric body

FIG. 6

- The electromagnetic wave spectrum of the first spectrum
- - - The electromagnetic wave spectrum of the second spectrum
- . - The electromagnetic wave spectrum of the third spectrum
(target working spectrum)
