(54) Title: HIGH DOSE EXTENDED-RELEASE POTASSIUM CITRATE WAX MATRIX TABLET

(57) Abstract: The present invention relates to a high dose extended-release potassium citrate tablet containing carnauba wax, which contains a first portion of melt- or heat-granulated carnauba wax and potassium citrate; and a second portion of non-granulated potassium citrate. The high dose extended-release potassium citrate tablet of this invention has robust batch-to-batch dissolution and friability; and leads to improved production capacity and reduced production cost.
