Start
Receive bills and specifications
S10
Register the receipt of bills specifications
S20
Inspect descriptions in the bills and specifications
S30
S35
Any error in a bill?
Yes
Return the bill and specifications attached thereto
No
Perform automatic inspection on the specifications
S40
S42
Any error in a specification?
Yes
Send the erroneous specification to the portal receipt server
No
Perform automatic inspection on the corrected specification
S44
Perform specialist inspection on the specifications
S50
Perform computational examination on the specifications
S60
Distribute the bills and specifications
S70
Send results of on-screen examination
S80
Send result of on-screen examination conducted by an examination commissioner
S85
Generate and send an examination decision file
S90
Receive eligibility appraisal results
S100
End
