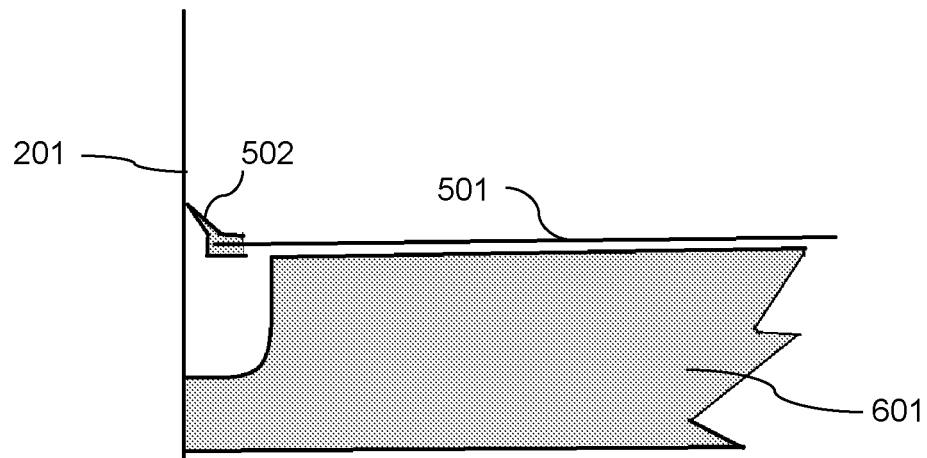

Fig. 3 (PRIOR ART)

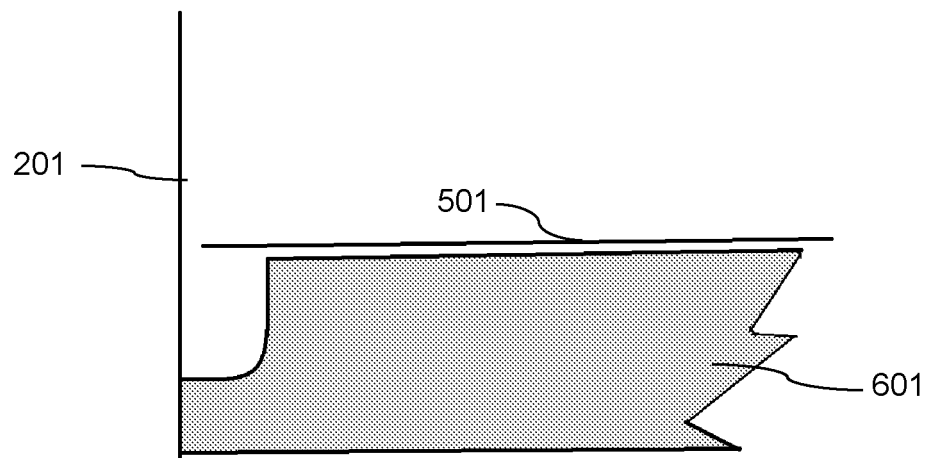

Fig. 4 (PRIOR ART)

A cross-sectional view of a container assembly. The assembly includes a lid (1) with a handle (3) and a container body (2) with a tapered bottom (4). A central layer (5) is positioned between the lid and the body. A shaded region (6) is located within the central layer. A detail view (7) shows a cross-section of the central layer (5) and the container body (2) at the left edge, with a label 'B' indicating a specific feature.
