

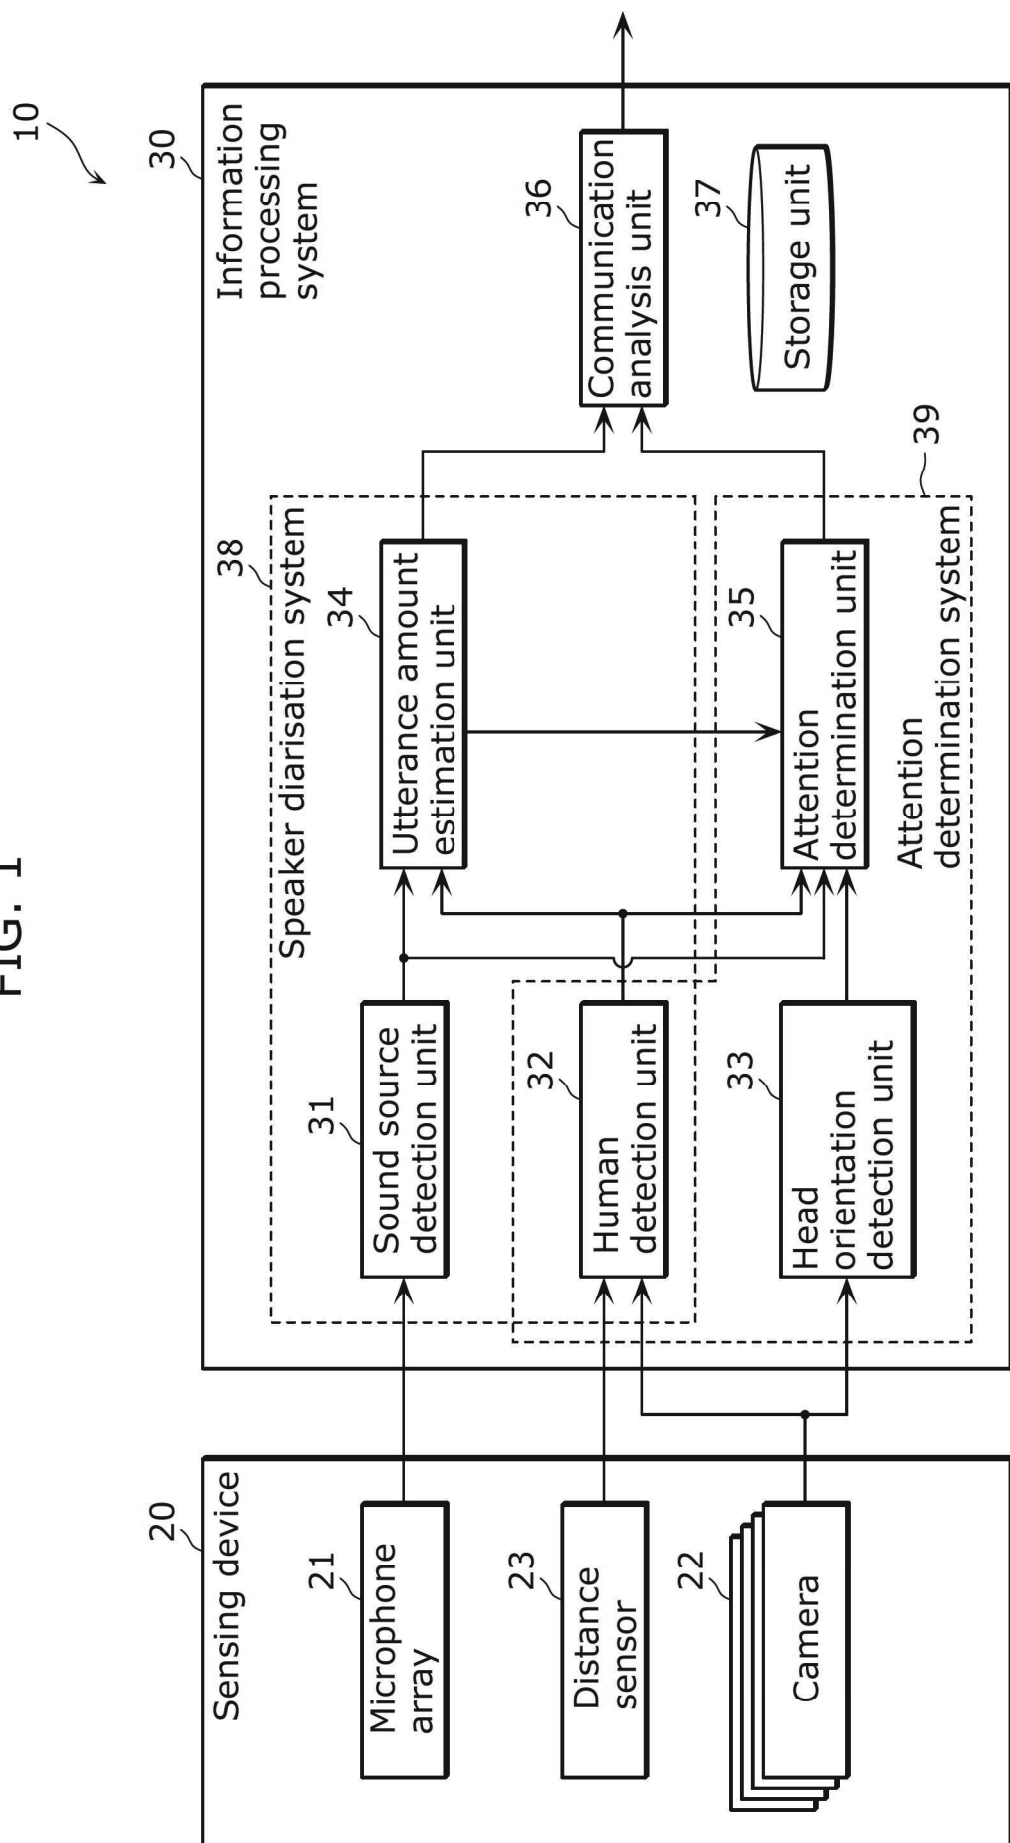

FIG. 1

A line drawing of a meeting room. A long rectangular table is surrounded by chairs. A person is standing at the far end of the table, facing a large whiteboard. A screen is mounted on the wall behind the table. A small device is on the table. A cabinet is on the left. A vent is on the ceiling. Labels 20, 40, 50, 60, and 70 are present.

Figure 1 consists of two schematic diagrams, (a) and (b), illustrating a camera system. Diagram (a) is a top-down view of a camera body 20. It features a central lens 21 and four sensors 22 positioned around the lens. Diagram (b) is a side view of the same camera body 20, showing it mounted on a tripod. The lens 21 and sensors 22 are visible in this view as well.
