

**EXTRACTS OF CHENOPODIUM AMBROSIODES L., THE COMPOSITIONS
COMPRISING SAID EXTRACTS, THE PREPARING PROCESS AND
APPLICATION THEREOF**

ABSTRACT

The present invention discloses a volatile oil extracted from *Chenopodium ambrosioides* by steam distillation, and a pharmaceutical composition containing the extract, used to manufacture of a medicament for the treatment of gastritis and gastric ulcer caused by *Helicobacter Pylori*. The composition is of low cost, easy to be manufactured and has low toxicity.
