(54) Title: A SYSTEM AND METHOD FOR ENABLING CONSUMER PROTECTION DURING A PROPERTY TRANSACTION

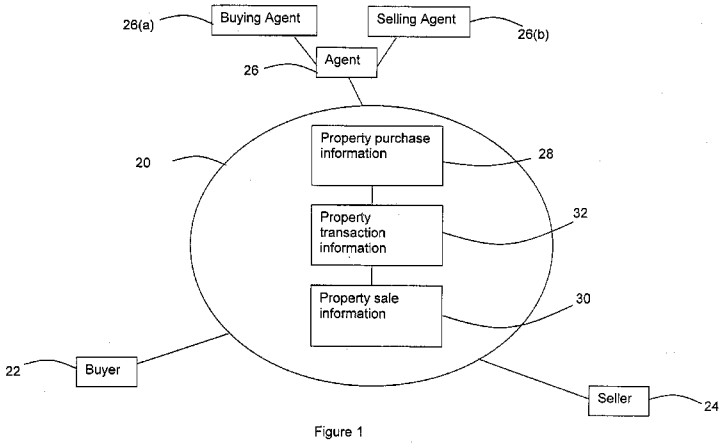

Figure 1

(57) Abstract: There is provided a system and method for enabling consumer protection during a property transaction, where the system and the method both enable provision of information which allows preservation of consumer rights in relation to a property transaction for both the at least one buyer and the at least one seller to be clearly defined and wherein the parties carry out steps independently which consequently affects each of the parties individually.
