

ABSTRACT

A METHOD AND SYSTEM FOR LOADING DIGITAL CONTENT INTO A DIGITAL STORAGE DEVICE AND SUBSEQUENT PACKAGING

5

There is provided a method for loading varied pre-determined digital content into a plurality of digital storage devices, and subsequently providing each digital storage device with varied pre-determined accessories. It is preferable that the digital content loaded into the digital storage device is not identifiable at the digital content loading post, and the consolidated digital storage device and the pre-determined accessories are shipped to particulars of the shipping label. A corresponding system is also provided.
