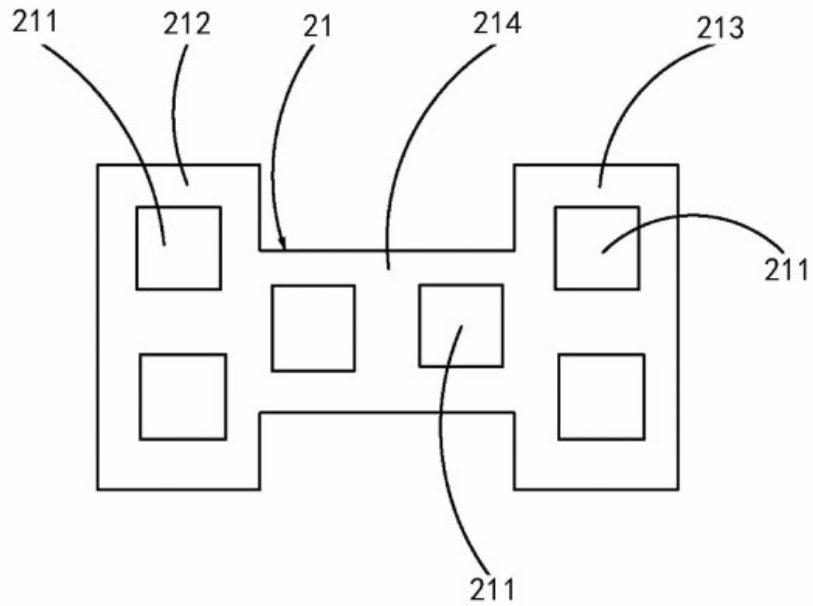

FIG. 6

Figure 1 is a schematic diagram of a rectangular device 10. The device 10 has a central rectangular region 11. Within this region, there is a horizontal strip 20 containing several square elements 21 and 211. To the right of this strip is a Y-shaped structure 22, which is composed of smaller square elements 221. The device 10 is surrounded by a border 24. There are six circular features 30, three on the top edge and three on the bottom edge of the device.
