CLAIMS

[Claim 1]

A hollow confectionery obtained by baking dough comprising soybeans, a starch, and a pregelatinized starch, wherein the moisture content of the hollow confectionary is 40 mg/g or less.

[Claim 2]

The hollow confectionery according to claim 1, wherein the proportion of soybeans is 1 to 80 parts by weight per 100 parts by weight of dough, on a dry weight basis.

[Claim 3]

The hollow confectionery according to claim 1 or 2, wherein the soybeans are in the form of a powder or paste.

[Claim 4]

The hollow confectionery according to any one of claims 1 to 3, wherein the proportion of pregelatinized starch is 5 to 50 parts by weight per 100 parts by weight of dough, on a dry weight basis.

[Claim 5]

The hollow confectionery according to any one of claims 1 to 4, wherein the pregelatinized starch contains a pregelatinized modified starch.

[Claim 6]

The hollow confectionery according to any one of claims 1 to 5, which has a content in the hollow.

[Claim 7]

The hollow confectionery according to claim 6, wherein the content is an edible solid material.

[Claim 8]

The hollow confectionery according to claim 6 or 7, wherein the content is movable in the hollow.

[Claim 9]

A method for producing a hollow confectionery comprising the steps of:

(1) preparing dough comprising soybeans, a starch, and

a pregelatinized starch; and

(2) baking the dough, wherein the moisture content of the hollow confectionary is 40 mg/g or less.

[Claim 10]

The method according to claim 9, further comprising the step of forming the dough into a sheet.

[Claim 11]

The method according to claim 10, further comprising the step of superimposing two dough sheets.

[Claim 12]

The method according to any one of claims 9 to 11, further comprising the step of covering an edible solid material with the dough sheet.

[Claim 13]

The hollow confectionery according to any one of claims 1 to 8, wherein the dough does not contain a leavening agent.

[Claim 14]

The method according to any one of claims 9 to 12, wherein the dough does not contain a leavening agent.
