Dear Sir

WORLD CLASS ACCREDITED LABORATORY by Mr. CHUA KAR HUAT
THE ONLY LEGALIZED SOURCE FOR THE "GOOD QUALITY METH"
THE "LIFE FORCE" TO SAVE THE HUMAN RACE AND THE POLITICIANS

Please refer to my enclosed letters that I have mailed to "Parliament of Singapore" dated 9 Nov 2018 and 30 Nov 2018 pertaining to legalized on 2nd hand smoke from Meth and setting up the "World Class Accredited Laboratory" based in Singapore to attract Health, Wealth and Wisdom for Singapore.

2. I have registered "WORLD CLASS ACCREDITED LABORATORY" with ACRA on 17 Dec 2018 with UEN Transaction Number B180134436 with Activity code of 72101 Research & Experimental & Development (R.E.D.) on BioTechnology, Life and Medical Science.

3. The setting up of the "WORLD CLASS ACCREDITED LABORATORY" by Mr. CHUA KAR HUAT is very important because this set up will saved the LIFE & HEALTH of the Politicians world wide as drugs battle (Wars of Drugs) and the 2nd hand smoke from the drugs by the wrongful mind-set user already is a very serious situation in today World.

4. As most Politicians do not have the "IMMUNE SYSTEM" to defense against the harmful 2nd hand smoke (Atomic, Subatomic, substance and particles) in the Air which already ~~everything~~ every where in the Earth. That is why the "GOOD QUALITY METH" is very

WORLD CLASS ACCREDITED LABORATORY

UEN NUMBER: 53391435C

important and the 2nd hand smoke must be created and emitted by the Rightful mind-set user and the "GOOD QUALITY METH" must be monitored and controlled with solid system and Qualified and Authorized Personnel.

5. "WORLD CLASS ACCREDITED LABORATORY" by Mr. CHUA KAR HUAT has been supported by "The Natural" & "The Universe" to save the Human Race that is why my "BLESSING" for all "Research, Experimental & Development" (R.E.D.) are very important to prevent wrongful person misused it.

6. All R.E.D. without my "BLESSING" eventually will become a "CURSE" in this World, initially my "Auto Blessing" worth at least GBP10 Million pounds and only 1 selected person in each Country to be Blessed by me for a total of 195 people in 195 Country and the funds will be used to benefit the World:

- **"THE DARKNESS" & "THE LIGHT" are Equally "HOLY":**
 - When "The Darkness" is naturally attracted by the Rightful person, it will shine its "Light and Wisdom".
 - When "The Light" is managed by the Wrongful person, it can be worst than "The Darkness"

7. As the Estimated Annual Revenue of the "WORLD CLASS ACCREDITED LABORATORY" is S\$8.208 Trillion, I would suggest that Singapore Government or Temasek Holding Pte Ltd to raise S\$684 Billion for the used of the fully Paid-up Capital of "WORLD CLASS ACCREDITED LABORATORY" at least to save the life of the Politicians of Singapore. The allocation of the shareholding structure will be :

Shareholding Structure

Singapore Government or Temasek Holding Pte Ltd at 25% (S\$171 Billion)

Mr. CHUA KAR HUAT at 50% (S\$342 Billion)

My ICE Force on Religious, Light & Darkness at 25% (S\$171 Billion)

- Invisible Celestial Enforcement Force (ICE Force)
- Investigation on Country Enforcement Force (ICE Force)

Capital Reserved

50% of the Retained Profit from "WORLD CLASS ACCREDITED LABORATORY" will be used for the Architectural Structural of "WORLD HERITAGE TEMPLE" by Mr. CHUA KAR HUAT to be built in Singapore. And this "World Heritage Temple" will be **"BLESSED"** by **"THE NATURAL & THE UNIVERSE"** and become the "Heritage Property" of the "Entire Universe" (EU) and will be protected for the next 54,000 years.

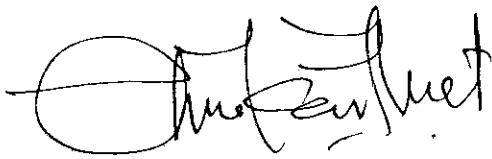

8. I would appreciate if the "Parliament of Singapore" will review and support it and kindly reply by 31 Dec 2018 before the Special year 2018 ended so that I could plan on my next step could it be interested or not. I am respecting Everyone's Rights & preference.
