The screenshot shows the Otis software interface. At the top, there is a navigation bar with the Otis logo and links to Dashboard, Instructor Admin, Class Admin, Store, YC Admin, AED Manager, and Advanced YCM. Below this is a sub-header with links to Remote Site Verification Utility, Open Time Listing, and Edit Class. The main content area is titled "Thu February 14, 2013". On the left, there is a calendar for February 2013. The "Create a New Time Slot:" section on the right contains a form with the following fields: Slot Section Interval (set to 40 minutes), Open Time Slot (set to 8:20 AM ET), and Close Time Slot (set to 9:20 AM). A "Create Time Slot" button is at the bottom of this section. The "Existing Time Slot(s):" section on the right shows "No open time slots are created for this day." At the bottom right of the interface, there is a copyright notice: "© 2013 Otis Inc. All rights reserved."
