Table 9A

Creation date	The date and time at which the folder was created in the filing system.
Last use date	The date and time at which the contents of the folder or (recursively) those of any of the subfolders it contains were used in some way.
Depth number	The depth of the folder in the hierarchy . For example, if the top-level folder has depth number 1, its immediate subfolders will all have depth number 2. Their immediate subfolders will have depth number 3 and so on.
Size	Number of media files of given type immediately contained by the folder

Table 9B

WEIGHT	VALUE
W_A	1.0
W_C	0.2
W_S	0.3
W_D	0.2
