FIG. 10

FIG. 11

 : Resource with which the N-th message transmission is performed (SF#K)

 : Reselection resource (SF#(K+Z))

FIG. 12

 : Resource with which the N-th message transmission is performed (SF#K)

 : Reselection resource (SF#(K+Z))

FIG. 13

-  : Skip the N-th message transmission and perform sensing (or measurement) of the corresponding resource (SF#K)
-  : Reselection resource (SF#(K+Z)) and resource with which retransmission of the skipped N-th message is performed

FIG. 14

-  : Skip the N-th message transmission and perform sensing (or measurement) of the corresponding resource (SF#K)
-  : Reselection resource (SF#(K+Z)) and resource with which retransmission of the skipped N-th message is performed
