

[図1]

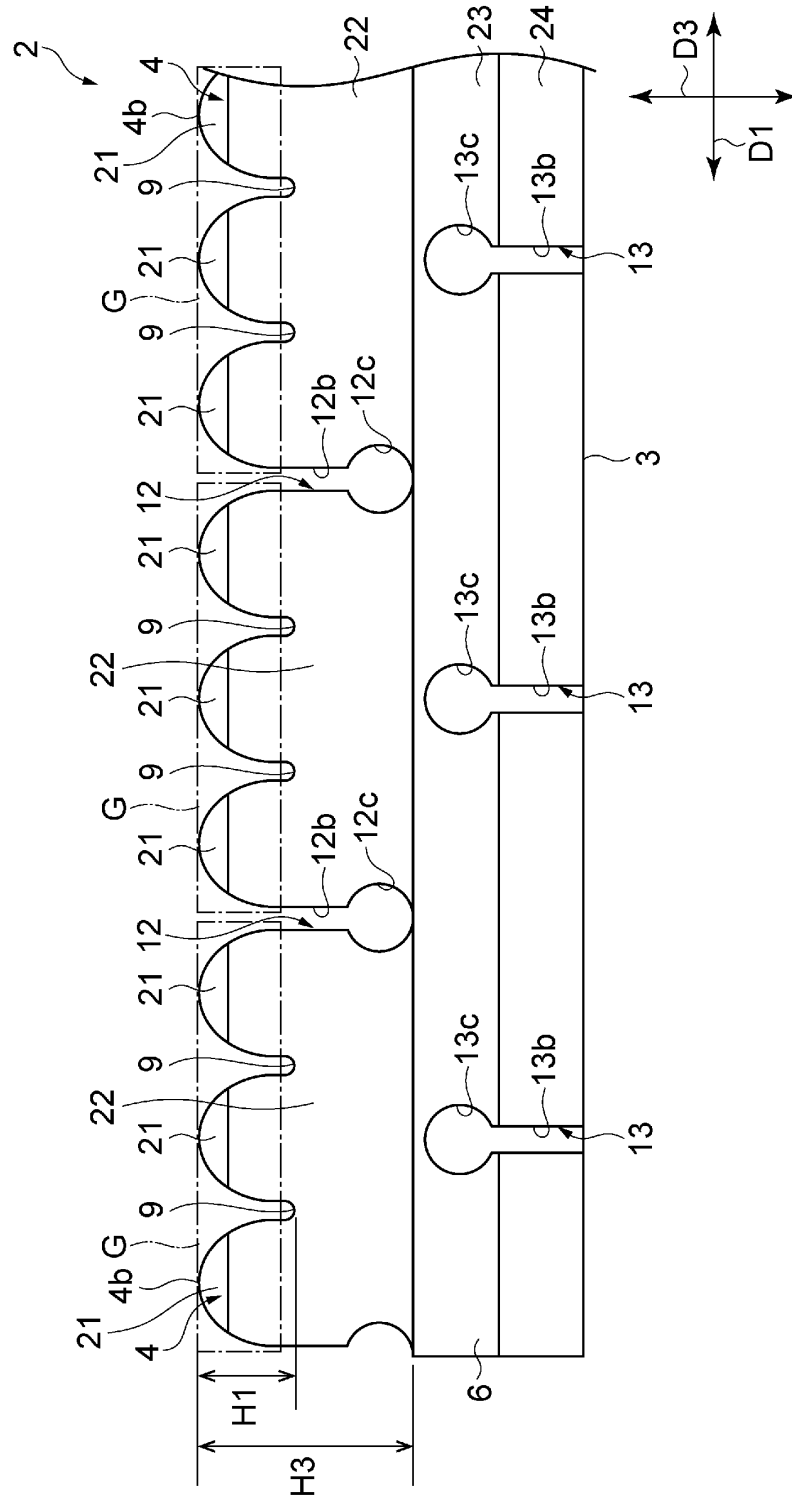

[図2]

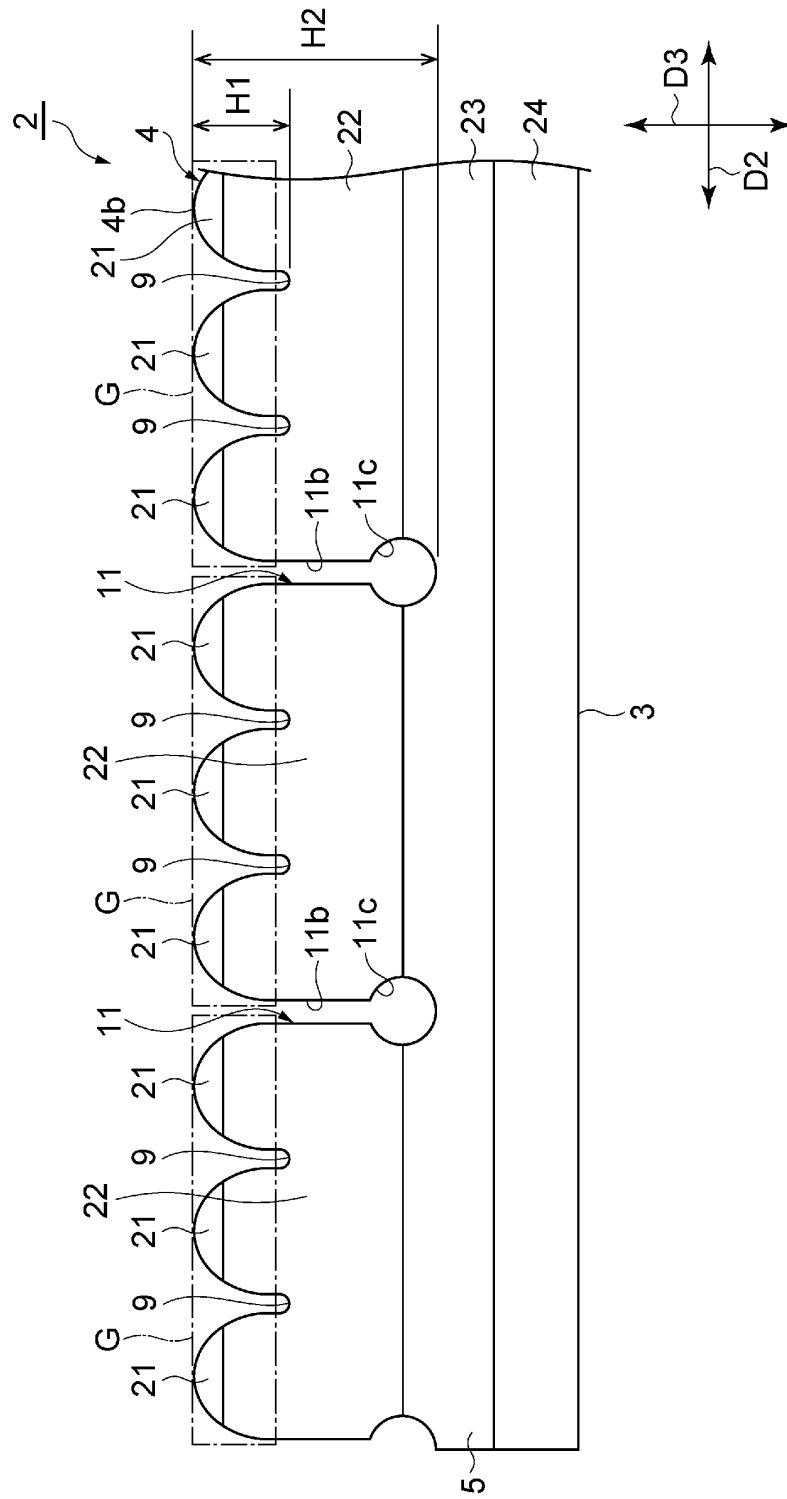

A schematic diagram of a multi-layered structure. It consists of a stack of horizontal layers. The top layer is labeled '1' with a horizontal line above it. Below it, a wavy interface is labeled '3'. The layers are separated by wavy lines, and the entire stack is labeled '13' at the bottom right. A coordinate system is shown in the bottom right corner, with a vertical arrow pointing up labeled 'D1' and a horizontal arrow pointing right labeled 'D2'.
