

[図1]

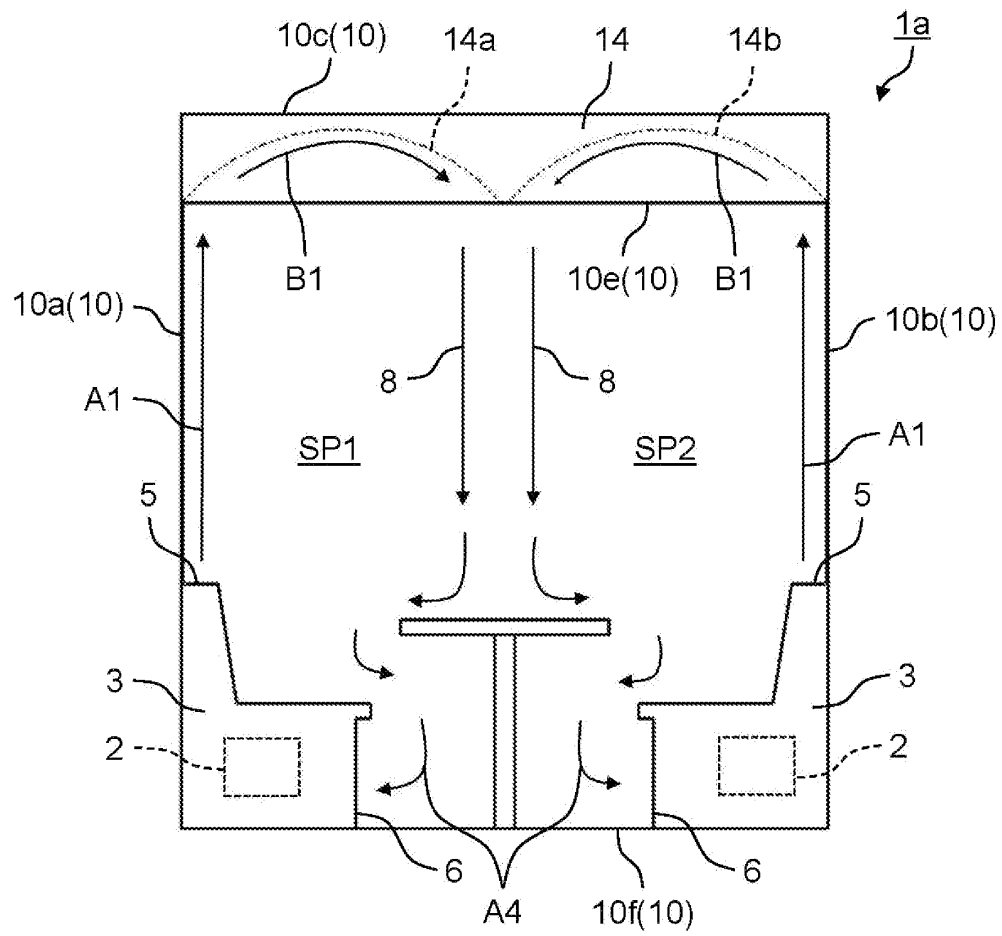

[図2]

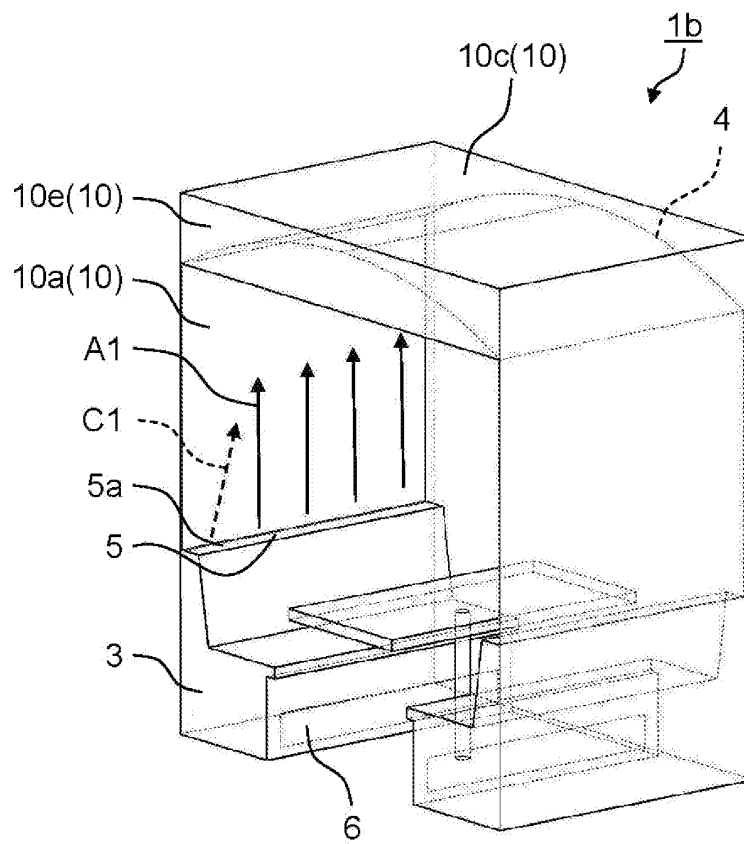

A block diagram of the air supply system 2. The system is represented by a large rectangle labeled '2' at the top right. Inside this rectangle, the text '送風システム' (Air Supply System) is written. Below this text, there are two smaller rectangles: '送風装置' (Air Supply Device) on the left and '浄化部' (Purification Unit) on the right. A label '2a' points to the '送風装置' block, and a label '2b' points to the '浄化部' block.
