For two-letter codes and other abbreviations, refer to the "Guidance Notes on Codes and Abbreviations" appearing at the beginning of each regular issue of the PCT Gazette.

(54) Title: REMOVABLE PROTECTIVE COVER

(57) Abstract: A substrate bearing a removable cover is provided. The removable cover includes two or more removable films, wherein at least one film is removable by a different removing process than another film. For example, in some cases one film is an organic film removable by heat treatment and another film is an inorganic film durable to heat treatment but is soluble to a mild acid or a mild base.
