Insert basket into tray
1002
1000
Insert embryo into basket
1004
Insert loaded tray into robotic processing equipment
1006
Insert pipette into access port
1008
Introduce / Withdraw fluids via pipette in access port
1010
Procedure Concluded ?
1012
N
Y
Remove tray from robotic processing equipment
1014
Remove embryo from basket
1016
