610 Entry KQ PDI/CEI 310c DLS Summary

610a Post Dispatch Instructions Additional Information 610b

a. I'm sending the paramedics (ambulance) to help you now. Stay on the line and I'll tell you exactly what to do next.

b. (Narcan/Naloxone help requested) I'm going to help you give the Narcan to him now.

602 Critical EMD Information

- * (Appropriate) Connect and confirm transfer of the caller to Poison Control Center.
- * Stay on the line with the caller if his condition seems unstable or is worsening
- * Utilize the Narcan/Naloxone Admin. Instructions if help is requested by the caller.
- * In volatile/criminal situation, refer to applicable law enforcement protocol. 608

(OMEGA referral) The information you have provided us indicates the most appropriate care for him would be to speak with the experts at the Poison Control Center about his further care. An ambulance will not be sent at this time. If the experts there feel that an ambulance transport is needed, they will call us back
