DISPOSABLE SANITARY ARTICLE

G00001

A disposable sanitary article 1 having a pair of tape fasteners 5 attached to transversely opposite side edges 1a of a front waist region 20 and a non-stretchable target tape strip 6 attached to outer surface of a rear waist region 22 functioning as a landing zone for the tape fasteners 5. The front and rear waist regions 20, 22 as well as a crotch region 21 are elastically stretchable lengthwise and breadthwise. The target tape strip 6 is formed with a plurality of slits 8 spaced apart from one another by a desired dimension, each extending longitudinally of the article, and attached to the front waist region 20 being substantially in its non-stretched state.

Refer to Fig. 1.
