FIG. 12

This cross-sectional view shows a multi-layered structure. At the top is a layer labeled 301. Below it is a layer labeled 308. A central layer is labeled 340. To the left of this central layer is a component labeled 310. Below the central layer 340 is a layer labeled 402. At the bottom is a layer labeled 340. On the right side, there is a component labeled 340. The structure is composed of several layers and components, some of which are hatched to indicate different materials or cross-sections.
