(54) Title: METHOD AND SYSTEM FOR SENDING AND CREATING EXPRESSIVE MESSAGES

(57) Abstract: A method and system for creating and sending expressive messages is provided. The method includes receiving (202) a text message, where the text message is sent from a first communication device (102) to a second communication device (104). Further, the method includes transforming (204) the text message into an expressive message and directing (206) the expressive message to the second communication device.
