This diagram shows a cross-sectional view of a container assembly. A central core, labeled 200, is surrounded by a container wall, labeled 20. The core has a top surface, labeled 32, and a bottom surface, labeled 30. A connector, labeled 33, is attached to the top surface of the core. The container wall has a bottom flange, labeled 202, and a side flange, labeled 24. The entire assembly is shown in a cross-sectional view with hatching indicating different materials.
