

**ABSTRACT****UNIFIED DIRECTORY FOR CALLER ID AND ELECTRONIC MAIL
ADDRESSES**

5

A method and system for message communications in different media. A first message is received via a first communications medium. First address information associated with the first communications medium is extracting from the first communications medium. Second address information associated with a second
10 communications medium is determined automatically in response to the first address information. A reply for the first message is sent via the second communications medium using the second address information.
