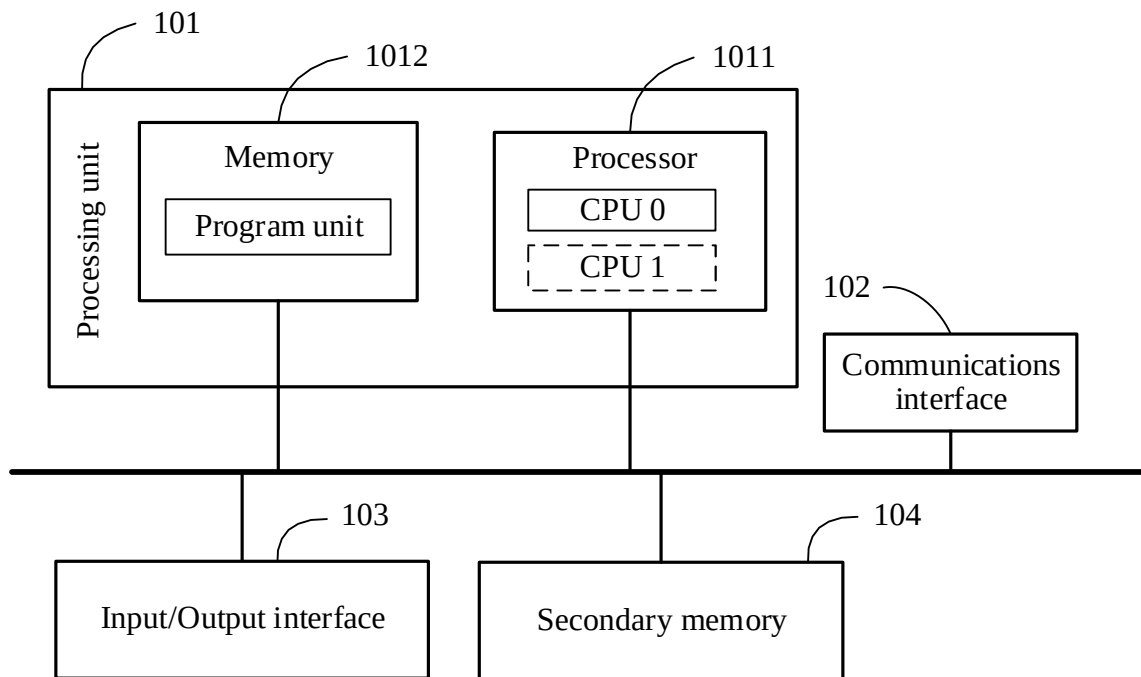

FIG. 3

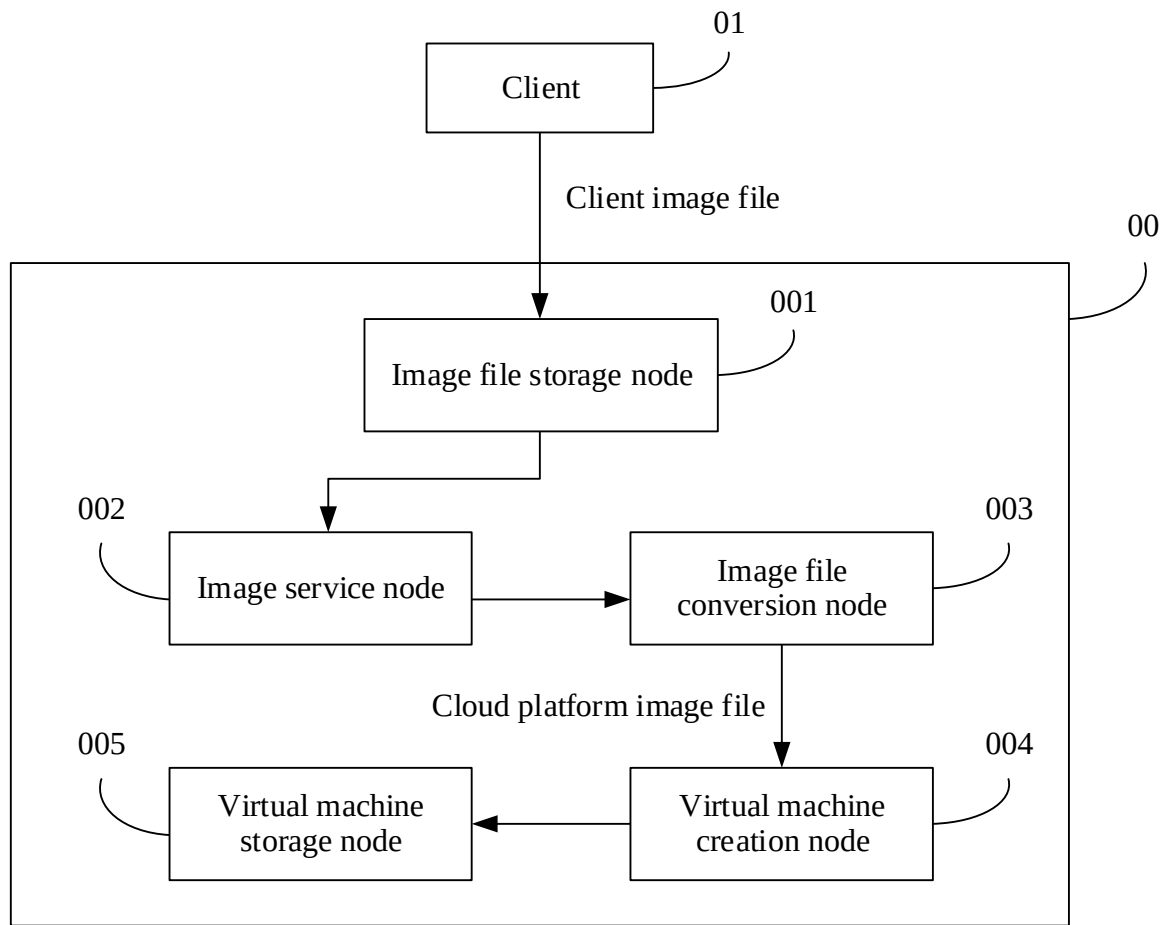

FIG. 4

The image shows a computer monitor with a web form displayed on its screen. The form contains the following elements:

- Image file:** A text input field followed by a "Select" button.
- Name:** A text input field.
- OS:** A dropdown menu currently showing "Redhat" with a downward arrow, followed by an empty text input field and another downward arrow.
- License type:** A horizontal container with the text "License type" and two radio button options: "BYOL" and "BLEP".
