Welcome to your Skin Health Test

Many products work differently for different people. Skin Types, Skin Color, Lifestyle all play a role in how effective a product meets your needs.

Here, we can baseline your skin’s health through 4 key areas:

- Elasticity
 - Wrinkles / Fine Lines
 - Sun Damage
 - Glow / Luminosity
- Elasticity is based on ... and is influenced by
-
-
-

Using the latest in skin technologies, we analyze and give you a personalized assessment of your skin regimen
