Dear Sirs,

Singapore Patent Application No. 200901915-9
Invention : IL-17 Receptor A Antigen Binding Proteins
Applicant : Amgen Inc.

We refer to your letter of 08/03/2013.

As clarified over the telephone this afternoon, the drawings submitted with PF14 were amended during the PCT stage and we confirm that these are the correct drawings.

We hope the application is in order and we await the issuance of the Certificate of Grant ASAP.

Yours faithfully,

S&F
