

The diagram illustrates a multi-person exercise machine 1000. It consists of four individual exercise stations, labeled 3A, 3B, 3C, and 3D, arranged side-by-side. Each station includes a seat 10, a pedal assembly 30, and a frame 20. A central console 4 is positioned between the stations, featuring a display 180 and seven touch panels (TP1 through TP7) for user interaction. The machine is supported by a base 5 and has a total width of 194 units. The overall system is designated by the reference numeral 1000.
