Claims

1. The use of a pharmaceutical composition comprising an active ingredient comprising a pair of analgesic agents and a vasopressin analog, in the manufacturing of a medicament for treating bedwetting, wherein the pair of analgesic agents comprises acetaminophen and ibuprofen and wherein each of the analgesic agents is present in the composition in an amount of 1-1000 mg per agent.

2. The use of the pharmaceutical composition of Claim 1, wherein said pharmaceutical composition is formulated for immediate release.

3. The use of the pharmaceutical composition of Claim 1, wherein said pharmaceutical composition is formulated for extended-release.

4. The use of the pharmaceutical composition of Claim 2 or 3, wherein said pharmaceutical composition is further coated with an enteric coating.

5. The use of the pharmaceutical composition of Claim 1, wherein said pharmaceutical composition is formulated for delayed-release.

6. The use of the pharmaceutical composition of any one of Claims 1-5, wherein each of said acetaminophen and ibuprofen is present in said composition in an amount of 10-1000 mg per analgesic agent.

7. The use of the pharmaceutical composition of Claim 6, wherein said pharmaceutical composition contains ibuprofen in an amount of 10-300 mg.

8. The use of the pharmaceutical composition of Claim 6, wherein said pharmaceutical composition contains acetaminophen in an amount of 300-1000 mg.

9. A pharmaceutical composition for treating bedwetting, comprising:
a pair of analgesic agents;
a vasopressin analog; and
a pharmaceutically acceptable carrier,
wherein said pharmaceutical composition is formulated for immediate release, extended release, delayed release or combinations thereof,
wherein the pair of analgesic agents comprises acetaminophen and ibuprofen, and
wherein each of the pair of analgesic agents is present in the composition in an amount of 1-1000 mg per agent.

10. The pharmaceutical composition of Claim 9, wherein said vasopressin analog is desmopressin.

11. The use of the pharmaceutical composition of Claim 1, wherein said pharmaceutical composition is in a liquid or solid formulation.

12. The pharmaceutical composition of Claim 9, wherein said pharmaceutical composition is in a liquid or solid formulation.
