

FIG. 1A

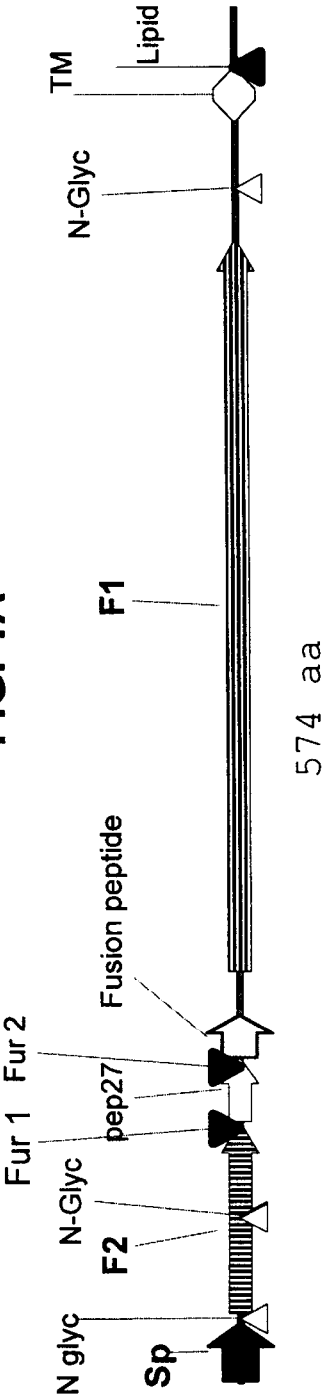

FIG. 1B

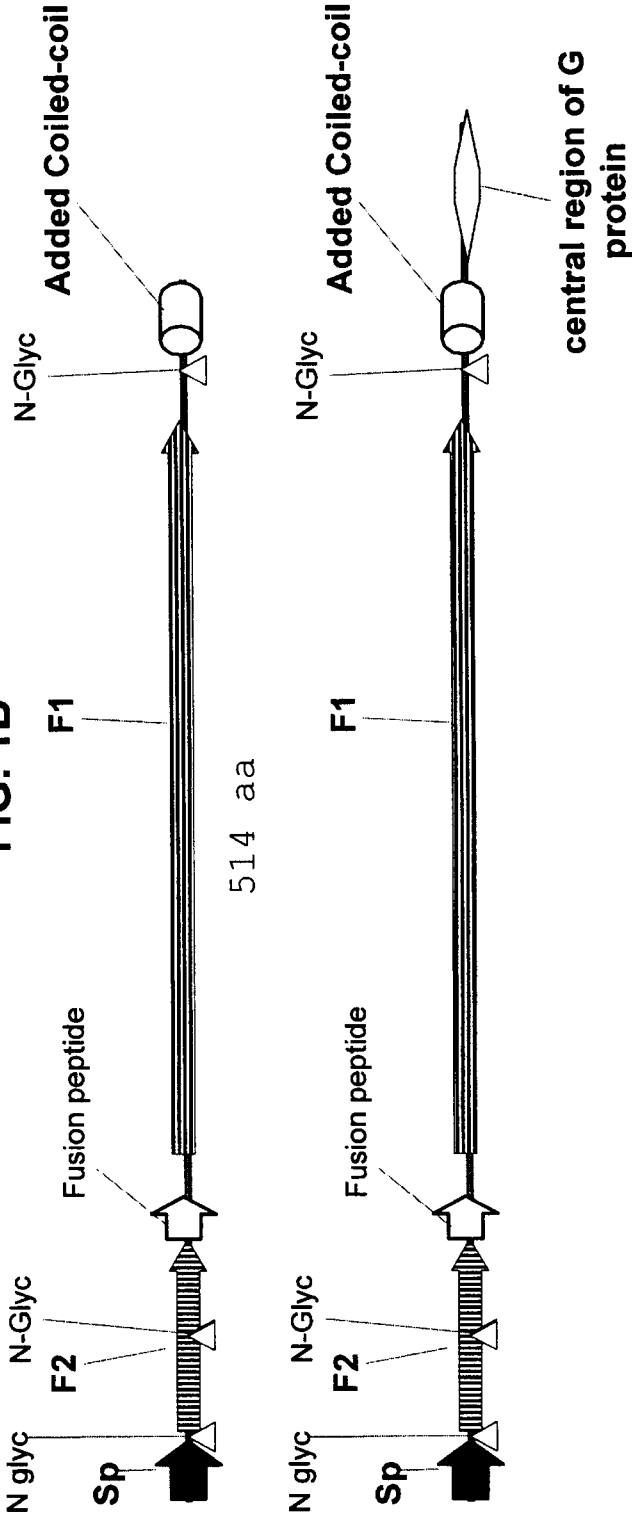

FIG. 2
Hydrodynamic characterisation of PreF and FG

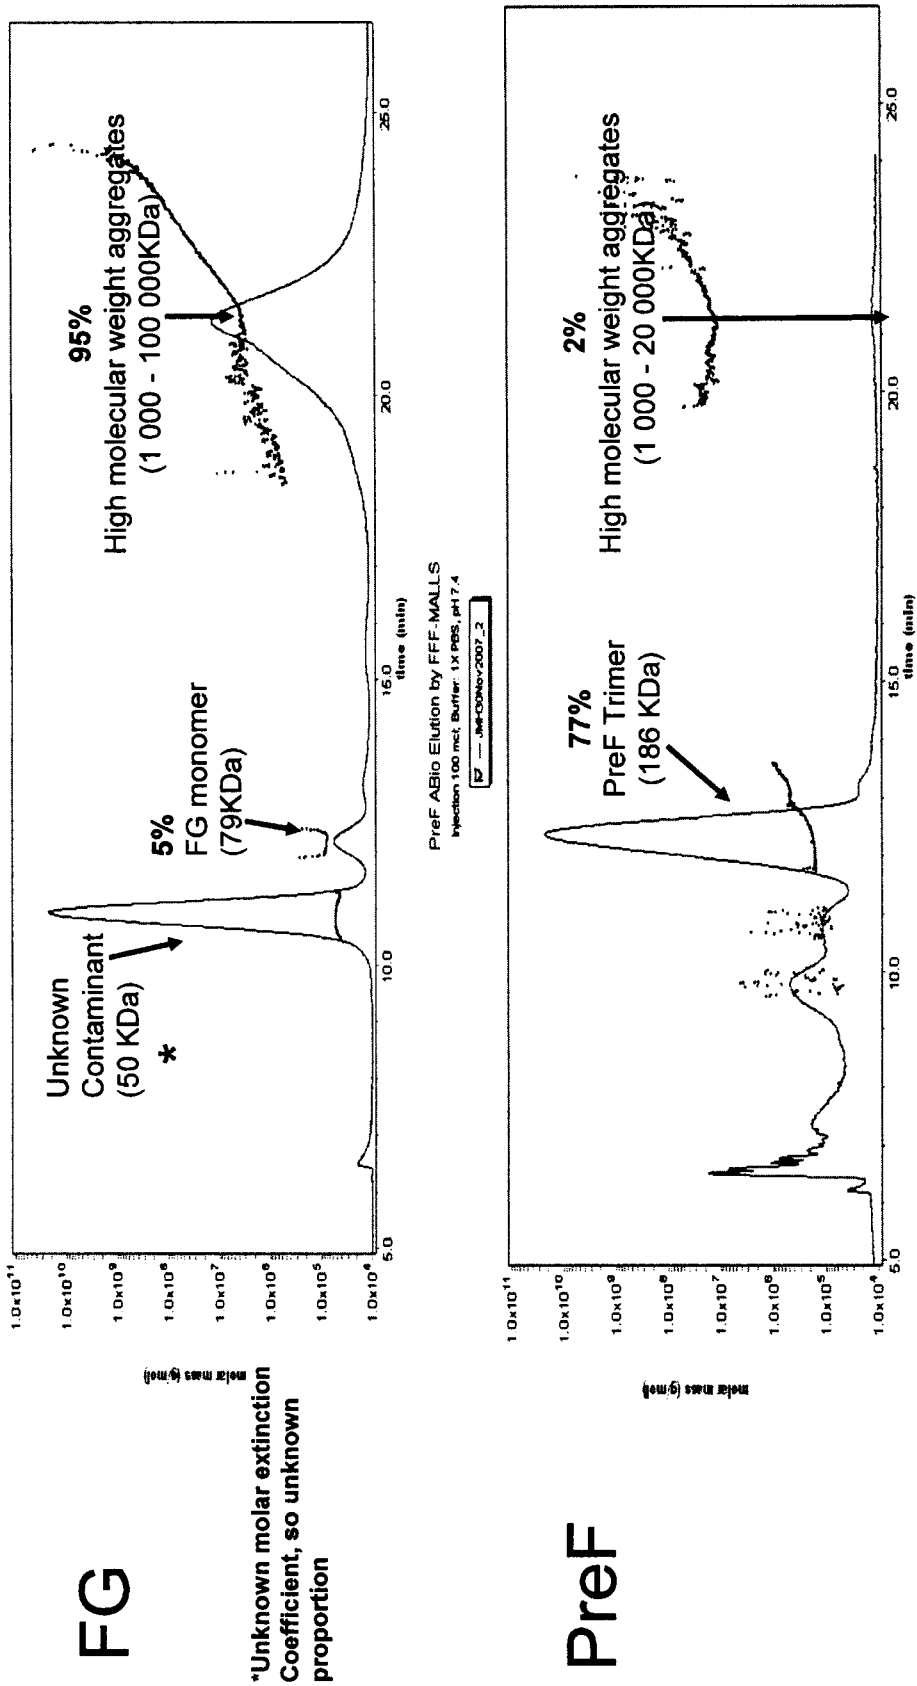

FIG.3
Neutralization Inhibition of human sera by pref
compared to FG

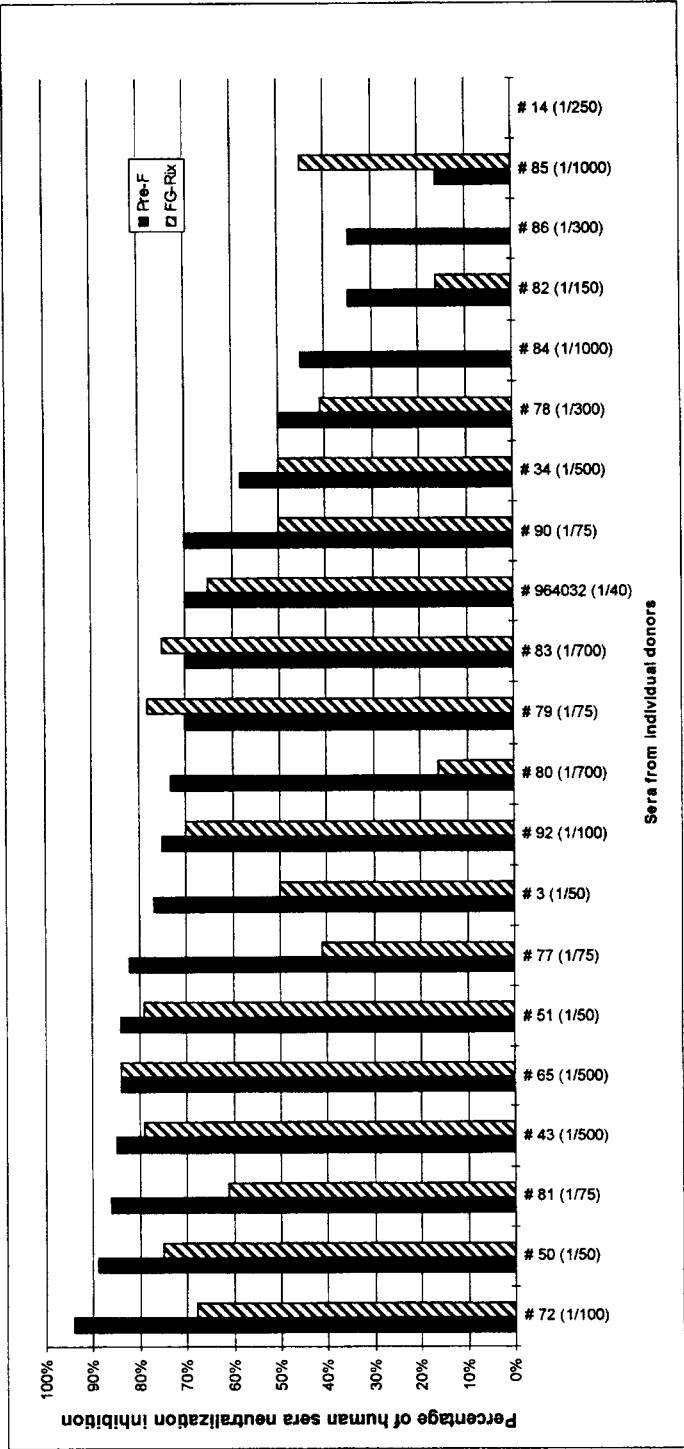

FIG. 4A
Serology in immunized mice, CHO-preF

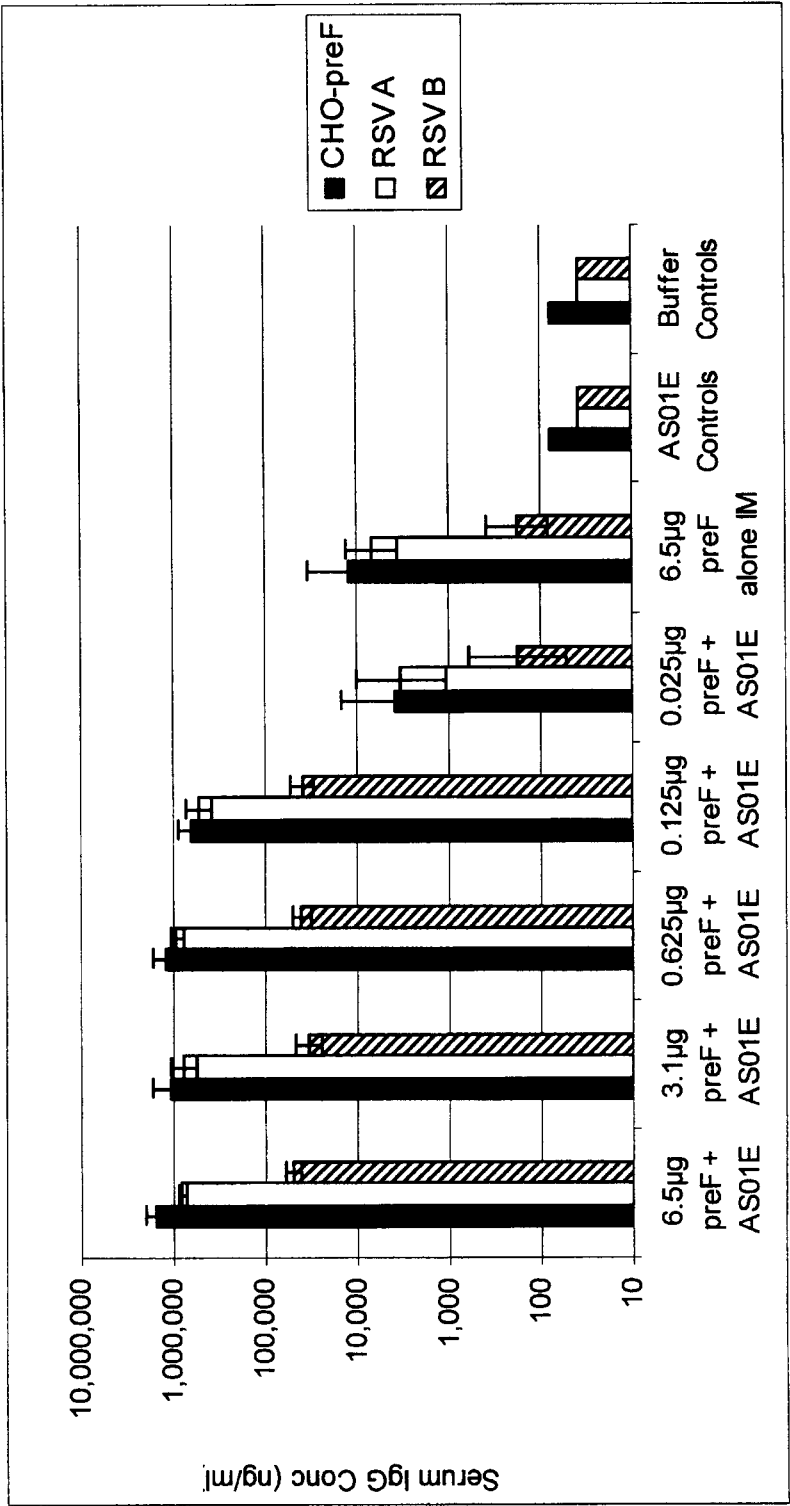

FIG. 4B
Serology in immunized mice, CHO-pref

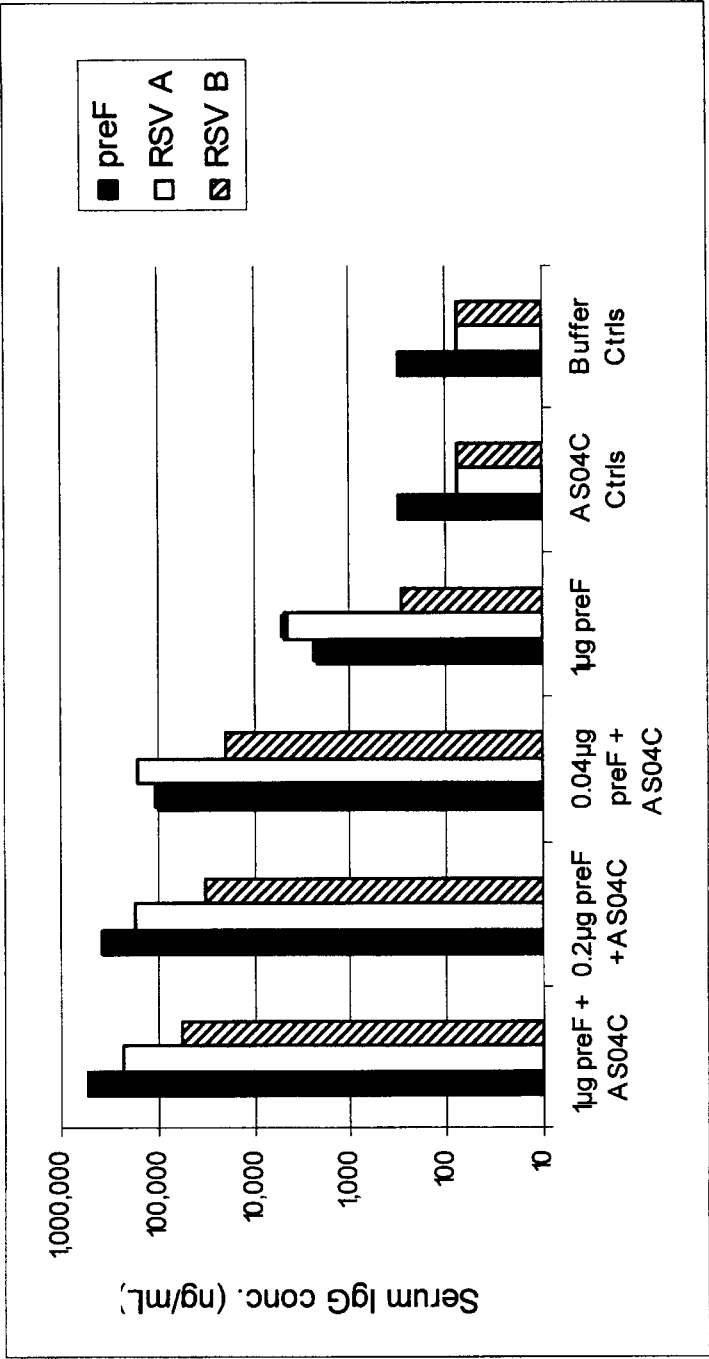

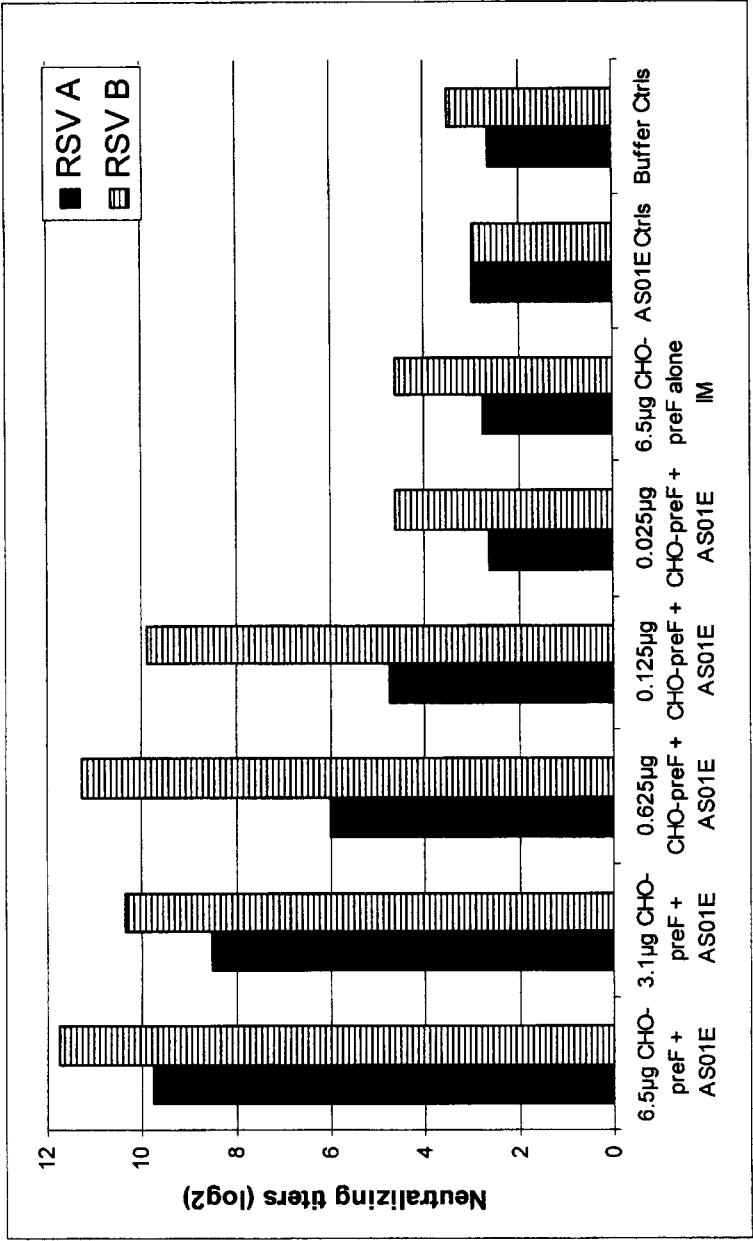

FIG. 5A

Evaluation of CHO-preF in vivo

Neutralization titers

* Same assay, sera taken from different animal study

FIG. 5B
Evaluation of CHO-preF in vivo
Neutralization titers

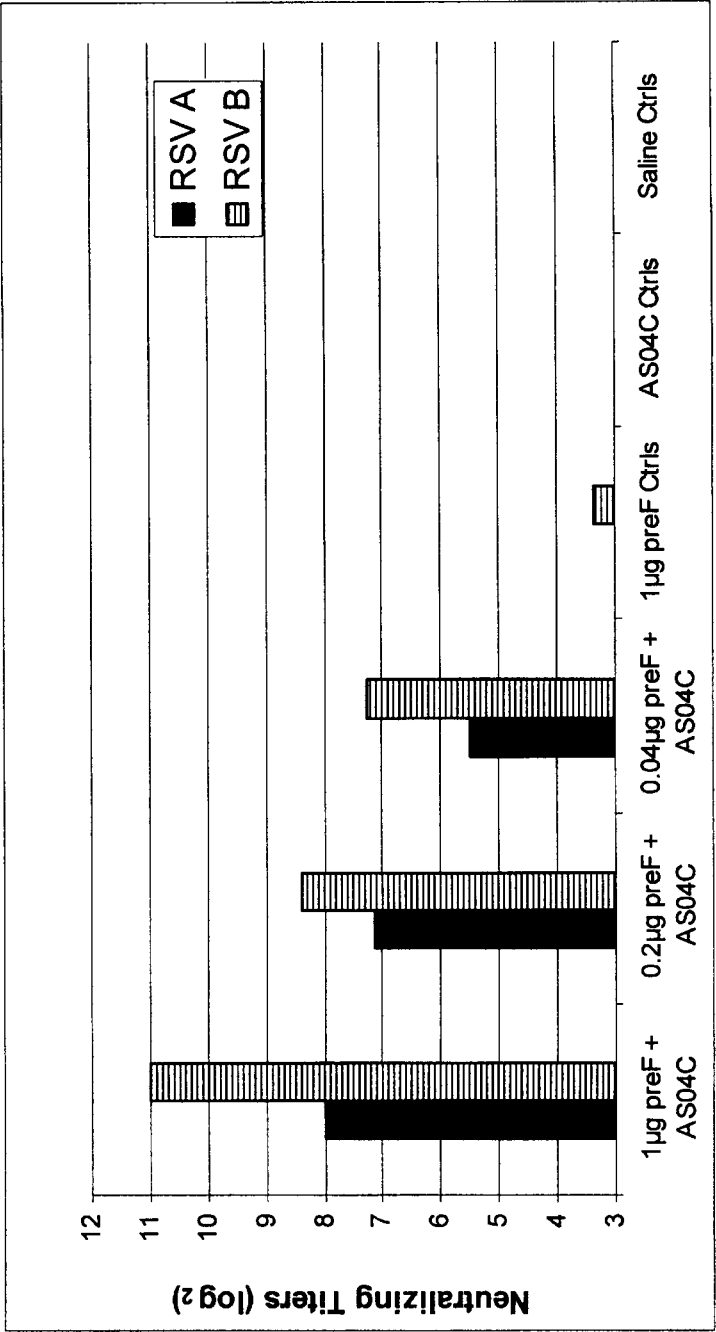

FIG. 6A
CHO-preF protection against challenge

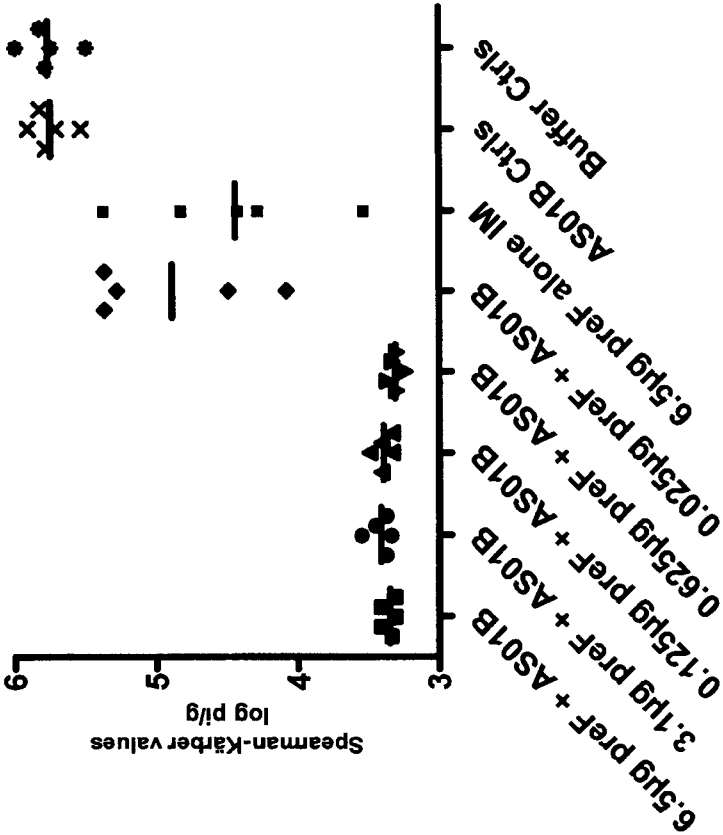

FIG. 6B
CHO-preF protection against challenge

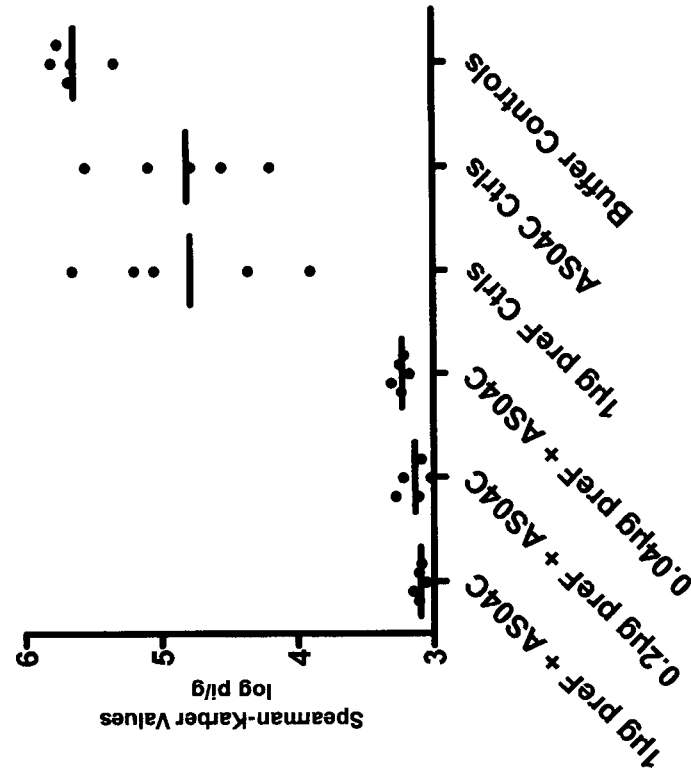

FIG. 7
Pulmonary eosinophil recruitment following challenge in mice
