[図5]

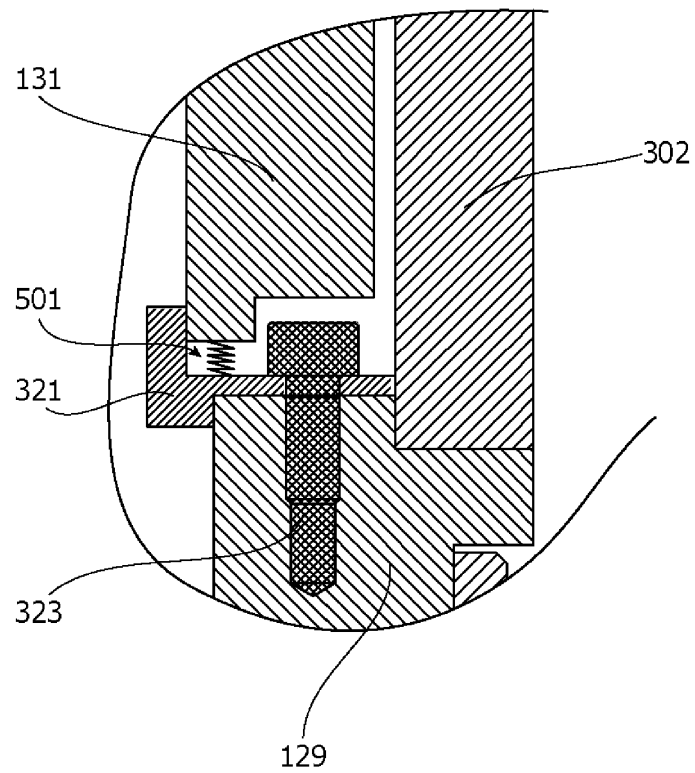

This cross-sectional view shows a mechanical assembly. A central vertical shaft (303) passes through a housing (302). A component (304) is located at the top of the shaft. A large, complex part (131) is on the left, and a base (133) is at the bottom. A central vertical part (129) is shown in cross-section. A small component (311) is on the right, and a part (321) is at the bottom right. A detail (321a) is shown in a cross-section. Other parts are labeled 322 and 323.
