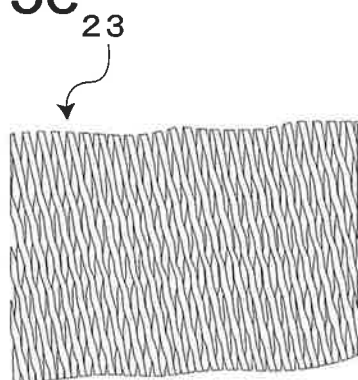

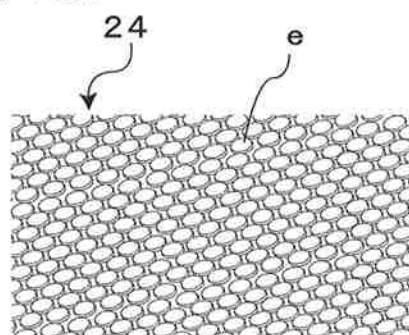

Fig.13f

A cross-sectional view of a device. It features a central raised portion (32) with a textured surface, flanked by two flat regions (34). The entire structure is supported by a base (31). A dimension line indicates a width W_c for the central portion. Various components are labeled with numbers: 31, 32, 34, 35, 36, 37, 38, and 41.
