CLAIMS

What is claimed is:

1. A method of making a composition comprising flibanserin and bupropion, including the steps of combining flibanserin, bupropion, and a pharmaceutically acceptable carrier, to thereby make the composition.

2. Use of flibanserin and bupropion in the manufacture of a composition for the treatment of a male sexual disorder in a subject.

3. The use of claim 2, wherein the male sexual disorder is male HSDD.

4. The use of claim 2, wherein the male sexual disorder is male sexual performance anxiety.

5. The use of claim 2, wherein the male sexual disorder is male orgasmic disorder (MOD).

6. The use of claim 2, wherein the male sexual disorder is erectile dysfunction (ED).

7. The use of any one of claims 2-6 wherein the composition is administered orally.

8. The use of any one of claims 2-6 wherein the composition is administered topically.

9. The use of any one of claims 2-6 wherein the subject is diagnosed and being treated for depression.

10. The use of any one of claims 2-6 wherein the subject is not undergoing treatment for depression.

11. The use of any one of claims 2-6 wherein the subject is concurrently prescribed an additional therapeutic agent.

12. The use of any one of claims 2-6 wherein the subject is concurrently not prescribed an additional therapeutic agent.

13. A kit comprising a composition comprising flibanserin and bupropion, and a pharmaceutically acceptable carrier, and a label providing instructions for administration of the composition to a subject for treating or ameliorating male HSDD or symptoms thereof in the subject.

14. A kit comprising a composition comprising flibanserin and bupropion, and a pharmaceutically acceptable carrier, and a label providing instructions for administration of the composition to a subject for treating or ameliorating male sexual performance anxiety or symptoms thereof in the subject.

15. A kit comprising a composition comprising flibanserin and bupropion, and a pharmaceutically acceptable carrier, and a label providing instructions for administration

of the composition to a subject for treating or ameliorating erectile dysfunction (ED) or symptoms thereof in the subject.

16. The use of any one of claims 2-12, or the kit of any one of claims 13-15-163, wherein the composition comprises bupropion in a dosage range of 1-450 mg.

17. The use of any one of claims 2-12, or the kit of any one of claims 13-15, wherein the composition comprises flibanserin in a dosage range of 25-450 mg.

18. The use of any one of claims 2-12, or the kit of any one of claims 13-15, wherein the composition comprises flibanserin in a dosage range of 25-450 mg and bupropion in a dosage range of 1-450 mg.
