

# **RACE CAR TRACK FOR ALLOWING NON-POWERED DRIVING USING GRAVITY**

## **ABSTRACT OF THE DISCLOSURE**

5           Disclosed is a race car track for allowing non-powered traveling by using gravity, the track comprising: a first lane including a first curved track; and a second lane including a second curved track located adjacently to the first curved track, wherein the first curved track has a first super elevation such that the first lane has a predetermined first difficulty level, and the second curved track has a second super  
10 elevation such that the second lane has a predetermined second difficulty level.
