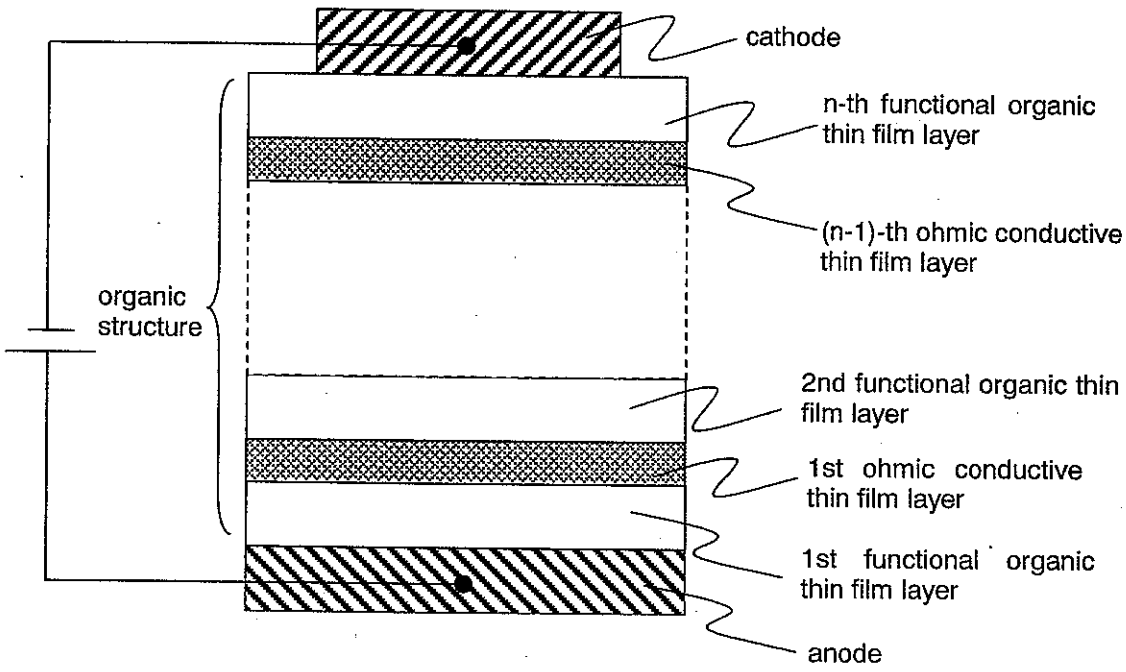

FIG. 1

cathode
n-th functional organic thin film layer
(n-1)-th ohmic conductive thin film layer
organic structure
2nd functional organic thin film layer
1st ohmic conductive thin film layer
1st functional organic thin film layer
anode

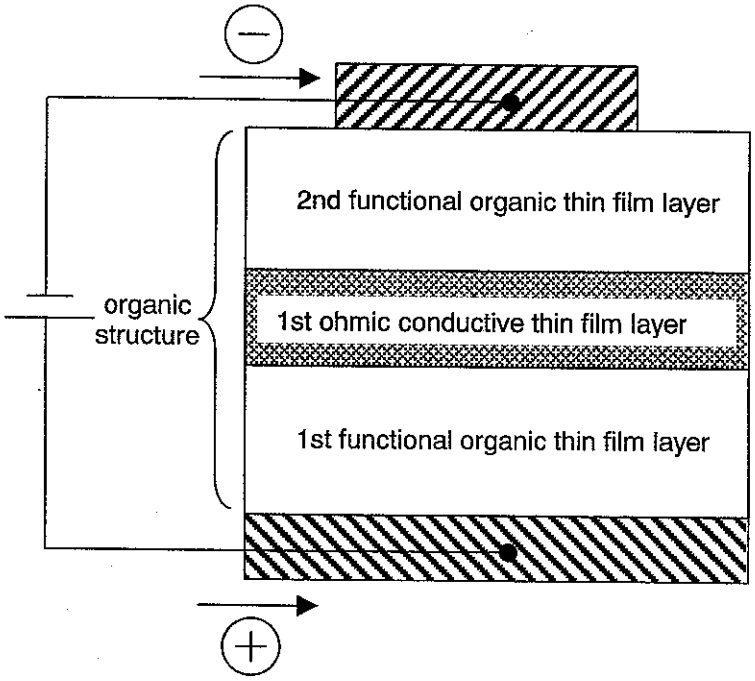

2nd functional organic thin film layer
organic
structure
1st ohmic conductive thin film layer
1st functional organic thin film layer

FIG. 2A

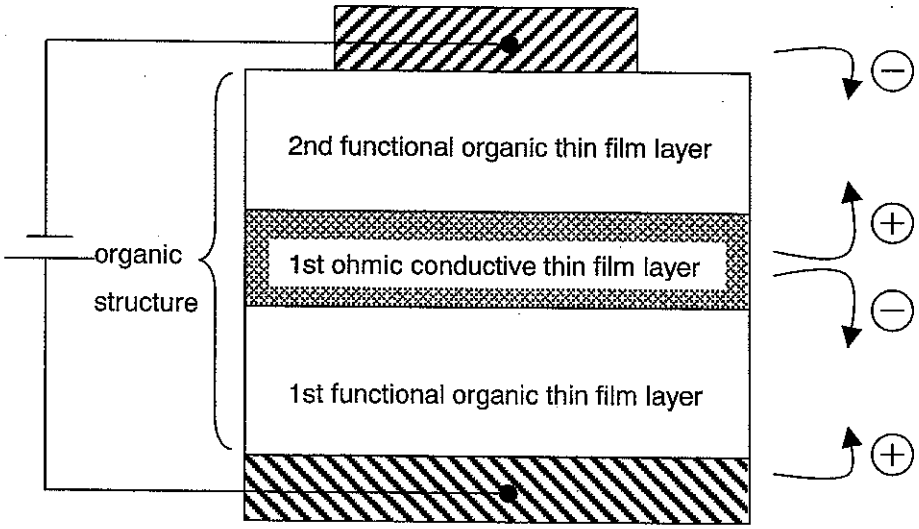

2nd functional organic thin film layer
organic
structure
1st ohmic conductive thin film layer
1st functional organic thin film layer
