Dose by Cohort

| Group A Cohort | Dose       | Group B Cohort | Dose      | Group C Cohort | Dose          |
|----------------|------------|----------------|-----------|----------------|---------------|
| A 1            | 0.1 mg/kg  | B 1            | 3.0 mg/kg | C 1            | 1.5 mg/kg x 4 |
| A 2            | 1.5 mg/kg  |                |           | C 2            | 3.0 mg/kg x 4 |
| A 3            | 3.0 mg/kg  |                |           | C 3            | 6.0 mg/kg x 4 |
| A 4            | 6.0 mg/kg  |                |           |                |               |
| A 5            | 12.0 mg/kg |                |           |                |               |
